The 11th Man Club is the Booster Club for Dragon Lacrosse. It's an organization composed of parents, coaches, and alumni who have an interest in supporting Kindergarten - High School Lacrosse in Southlake, Texas.

Lacrosse is unique, in Texas, as it's not a UIL sponsored sport. All coaches, fields, equipment, referee fees, league dues, travel expenses and scholarships are covered 100% by the athlete's family.

The 11th Man Club will help bridge the gap between fees our parents pay and program expenses.

SCLA is a 501(c)3 Organization
