

IRONMAN 70.3 Luxembourg – Région Moselle
Sunday, 18th June 2023

To the residents and neighbors of the
IRONMAN 70.3 Luxembourg -
Région Moselle 2023

(Wormeldingen, Ehnen, Ahn & Machtum)

Dear Ladies and Gentlemen
dear residents,

on Sunday, June 18, 2023 it's that time again: about 2500 triathletes from different nations will face the challenges of the now 10th edition of the IRONMAN 70.3 Luxembourg - Région Moselle to get one of the coveted starting places for the 2023 Vinfast IRONMAN 70.3 World Championship Lahti, Finland.

As the organizer we are of course trying to reduce the disturbances for you as residents to an absolute minimum. Nevertheless, it is unavoidable that there will be noise on race day due to the event and **that numerous roads along the course will be closed on race day at the earliest from 7:00 a.m. and at the longest until 8:00 p.m. (if necessary, there may be other, sometimes much shorter, closing times locally, see map for your area on page 2).**

If you already know the evening before the race that you will have to drive to the other side of the race course on race day, please plan accordingly and park your car there the evening before if necessary. On the following page you can see how to get to and from the Wormeldingen area. Please note that residents of the Route du Vin in the villages of Ehnen, Ahn and Machtum will not be able to enter or leave their houses and apartments by car on race day. The same applies to the parking lots along the Moselstraße.

In the following information you can also find out which other roads in the area around Wormeldingen are affected by the closure and which alternative routes are recommended. In addition, you can obtain further information from your local public order office, on our homepage, which you can access via the link shown below, or via our interactive map, which you can access via the QR code shown below. Your local administration of the Ponts et Chaussées, or Police Grand-Ducale will also be happy to help you.

If you have any questions during the event week, you can also contact our info phone from Thursday to Saturday, 10:00 - 18:00 and on race day (Sun), 07:00 - 18:00: +352 691628351.
