A review of the 2025-2026 Coaches took Place. All coaches are performing as tasked.

Weekly Practice Schedule -

Pros and Cons of new schedule. Need another Sheet of ice. Adding teams is difficult without sharing ice. All board members agree we do not want to be a club that shares ice. We believe it hurts the players skating development.

2026 Spring/Tryouts/Cost -

A Spring schedule was presented. Looking to advertise spring schedule first week in Feb. It was agreed upon that the girls need their own spring clinic separate from the boys including pond Hockey.

Board involvement and renewal of officers come June 2026 -

The following topics were discussed and will have further discussion...

Independent Contractors vs Employees, Taxes, 2026-2027 Budget concerns, Cost per team
