

JVC COVID RESPONSE IAW CDC GUIDELINES

JVC families,

As we go through this season, a season like no other, there will be questions and uncertainty as to how to handle certain situations in our gymnasiums. Rest assured we are talking about the protection of our families every week and how to do our absolute best to protect you, and us.

Our intention is to follow the Center for Disease Control and Prevention guidelines and recommendations in regard to the below bulleted possibilities:

- Exposure
- Isolation
- Symptoms
- How long you must stay out of the gym
- Positive tests
- Testing to get cleared
- Weakened immune systems

Please take a look at the link below for some information as to what you should expect. We will always take the most extreme precaution as we get through this, you should too.

<https://www.cdc.gov/coronavirus/2019-ncov/if-you-are-sick/isolation.html>

We have done a great job of keeping our gym safe and we will continue to do our best to keep it that way. In the upcoming weeks we will be providing prevention options with the understanding that the "Health and Safety" of our families and we are the top priority. It is incumbent on all of us to ensure we are in a "high alert" and ready to battle this unusual virus. We will do our best to keep you safe enough.

If you have any questions at all please contact
