

Dear Community Member and Lacrosse Supporter,

Northridge Raider Lacrosse would sincerely appreciate your support for the 2020 Raider Team with a sponsorship.

Northridge Raider Lacrosse began in 2013 with 20 high school and 17 middle school boys. Since 2013 it has grown to our current program which consists of over 130 girl and boy student athletes ranging from 4th to 12th grade in 2019.

Northridge Raider Lacrosse is a club sport that is **solely funded by the players' families, fundraisers, and donations from private and corporate supporters like you.** Funds donated are used for player scholarships, equipment costs, and field upkeep. It also covers game day field rental and referee costs. We are hopeful that lacrosse will become an IHSAA sport in Indiana with financial support in part by the school corporation, but until that time we will continue to require the support of individuals and companies to build and help fund the program.

We support the community, our players, and their families with our LAX Out fundraiser for Childhood Cancer, scholarships for player fees, and equipment funding.

Please consider sponsoring our program at any level below. All donations are greatly appreciated! **ANY DONATION ABOVE \$500** will be placed on any signage at our home playing fields if received prior to February 15, 2020. **ALL DONATIONS** will also be listed in the game program, on our website northridgelacrosse.com, and on our Facebook page: Northridge Lacrosse.
