

KINGSBURG YOUTH BASEBALL ASSOCIATION

BUY A BRICK PROGRAM

KYBA is offering our current and new business partners to our organization multiple options to purchase your own permanent business brick and multi year(s) sponsor banners. The purchase of bricks will help fundraising efforts to our newest Hank Hash Field project currently under construction and these brick will be placed at the Walk of Fame entrance at HHF. Banners will help offset league costs such as uniforms, operations, maintenance costs that support all five baseball programs ranging ages from 5 years to 15 years of age. KYBA is looking forward to partnering with your business.
