

Player/Coach Request Policy

Purpose:

The Monticello Baseball Association(MBA) has adopted the following Player/Coach Request policy. The MBA has to consider the combination of league rules, age of participants, evaluation scores, number of registered players and other registrants requests/wishes when determining a Player/Coach Request policy. The intent of this policy is to provide an option for registrants who seek to be placed on a specific team while ensuring the MBA is abiding by all league rules as it relates to rosters and team formation. It's because of these factors the MBA has selected the Player/Coach Policy detailed below.

Policy:

The MBA will accept Player/Coach Requests for registrants that submit a Player/Coach Request, as detailed in the procedure detailed below. All Player/Coach Requests must be submitted by email to montibaseballassoc@gmail.com. Player/Coach Request will be reviewed by the MBA Executive Board(President, Vice President, Treasurer and Secretary) for approval.

A PLAYER/COACH REQUEST MUST BE RECEIVED, VIA EMAIL, BY ALL REGISTRANTS RELATED TO THE REQUEST. (Example: If a request is received from one registrant(Player A) to be placed on the same team as another registrant(Player B), a request from the other registrant(Player B) is required for approval)

A PLAYER/COACH REQUEST FOR REGISTRANTS PARTICIPATING ON COMPETITIVE(TRAVELING) LEVEL TEAMS WILL NOT BE APPROVED.

The MBA Executive Board will make every effort to follow through on all Player/Coach Requests within 7-10 days of receiving all required requests.

The MBA will not follow up on any Player/Coach Requests submitted in which a Player/Coach Request has not been received by all registrants related to the request. It is the responsibility of the requesting parties to coordinate the submission of all required Player/Coach Requests.

Submitting a Player/Coach Request after teams for that specific age group have been formed and published may result in denial of the request.

Player/Coach Requests will not be accepted or approved after Registration closes.

Acting only in the best interests of the Association, the MBA reserves the right to deny any Player/Coach Requests received.

Please be sure to read these steps carefully, as an incomplete request may result in a delay in reviewing requests.
