

PRAIRIE STORM MINOR HOCKEY ASSOCIATION EQUIPMENT MANAGER

The role of the Equipment Manager is as follow:

- Maintain an inventory of PSMHA Equipment including jerseys, pucks, socks, goalie equipment, equipment lockers and medical kits
- Ensure the medical kits are restocked prior to the start of the playing season
- Issue equipment to the team at the start of the season according to the equipment rations approved by the PSMHA Board of Directors
- Be available to meet teams and/or players throughout the year to issue equipment (ie. Socks)
- Collect equipment, in conjunction with the Division Directors, from each of the teams at the close of the season and ensure all equipment is returned in good condition
- Assist with reviewing the equipment needs of the Association and prepare reports to the Board of Directors as requested
