THIS IS USA HOCKEY

USA Hockey provides the foundation for the sport of ice hockey in America; helps young people become leaders; fosters Olympic and Paralympic dreams; and connects the game at every level while promoting a lifelong love of the sport.

The organization, which was born out of a shoebox in Tom Lockhart's New York City apartment in the fall of 1937, is today represented in all 50 states and includes more than one million players, coaches, officials, parents and volunteers.

USA Hockey is committed to providing an inclusive and welcoming environment for all participants and is divided into 12 geographical districts throughout the United States. Within USA Hockey's 12 districts, 34 affiliates provide the formal governance for the sport.

USA Hockey's primary emphasis is on the support and development of grassroots hockey programs. Its renowned American Development Model provides associations nationwide with a framework for age-appropriate athlete development. Always a leader in safety, USA Hockey is at the forefront in advancing efforts to ensure the best possible environment for all engaged in the sport, both on and off the ice.

While youth hockey is a main focus, USA Hockey also has vibrant junior and adult hockey programs that provide opportunities for players of all ability levels. The organization also supports a continually growing disabled hockey program, which today includes six disciplines.

Beyond serving those who play the game at the amateur level, USA Hockey has certification programs for coaches and officials, inclusive of industry-leading education modules, to ensure standards are met that coincide with the level of play. Furthermore, a large focus is put on parent education with equipment needs, rules of the game and parental roles in youth sports among common topics.

Members of the organization are entitled to many benefits, including a subscription to *USA Hockey Magazine*, the most widely circulated hockey publication in the world; excess accident, general liability and catastrophic insurance coverage; access to usahockey.com; and opportunities to participate in USA Hockey National Championships, player development camps and other signature events.

As the National Governing Body for the sport of ice hockey in the United States, USA Hockey is the official representative to the United States Olympic & Paralympic Committee and the International Ice Hockey Federation. In this role, USA Hockey is responsible for organizing and training men's and women's teams for international tournaments, including the Olympic and Paralympic Winter Games and IIHF and IPC World Championships. USA Hockey also works closely with the NHL, PHF, PWWHA and NCAA on matters of mutual interest.

THE BRENDAN BURKE INTERNSHIP

2023-24

*A Professional Development Opportunity
Offered by USA Hockey, Inc.*

THE BRENDAN BURKE INTERNSHIP

BrendanBurkeInternship.com

The Brendan Burke Internship was established by USA Hockey and is intended for a recent college graduate interested in pursuing hockey operations as a career. The internship was founded in memory of the late Brendan Burke, who served as a student assistant for the Miami University men's ice hockey team and was the son of Brian Burke, director of player personnel for the 2014 U.S. Olympic Men's Ice Hockey Team.

Brendan passed away unexpectedly on Feb. 5, 2010. A senior at Miami, he was returning from a visit to Michigan State University's law school to perform his team video and statistics duties for the RedHawks' weekend series against Lake Superior State University. Snowy and icy road conditions in Indiana led to a car accident that took Brendan's life at the age of 21.

A political science major and French minor at Miami, Brendan is survived by his father and stepmother, Brian and Jennifer; his mother, Kerry Burke; sister and brother-in-law, Katie and Jared Porter; brother, Patrick Burke; and sisters, Molly, Mairin and Fiona "Gracie" Burke.

CANDIDACY – The Brendan Burke Internship is a unique professional growth opportunity that will be awarded to a recent college graduate who is pursuing a career in hockey operations. Successful candidates will have gained substantial experience in hockey during their collegiate career. Applicants should represent the high ideals characterized by Brendan in both the personal and professional aspects of life.

INTERNSHIP TERM – The term of the internship is 10 months, beginning by mid-August and ending by mid-June.

COMPENSATION – This is a salaried intern position.

RESPONSIBILITIES – Based in the Hockey Operations Department at USA Hockey's National Team Development Program in Plymouth, Michigan, the position calls for assistance in all aspects of hockey operations with the NTDP, which includes both the U.S. National Under-17 and U.S. National Under-18 Teams. In addition, the selected candidate will gain experience with international events, the American Development Model and Coaching Education Program.

“Our family is thrilled to have this internship founded in Brendan's name at USA Hockey. It will forever preserve his memory and provide an opportunity each year for a young person interested in pursuing a career in hockey to gain invaluable experience through our nation's national governing body for the sport.”

Brian Burke

PAST BRENDAN BURKE INTERNS

Year	Intern	University
2022-23	Kevin Braeunle	Temple University
2021-22	Ashton Duplessie	Univ. of Wisconsin
