a "Dinner for two" meal pass worth \$30 for each month for 1 year!

When total gift cards sales are \$5 to \$5000  
you will earn 10% of the sales towards your organization,  
total sales of \$5001 to \$9999 will earn 12.5%,  
and gift card sales of over \$10,000 will earn 15%  
of the total gift card sales back to your organization.

## Gift Card Fundraiser FAQ

### -How does it work?

Participants will sell gift cards to friends and family members for a two week period. They will collect money and checks in their order envelope and keep track of who orders using the chart on the front. At the end, each participant will be issued their envelope back with their completed order inside. It will then be their responsibility to distribute orders.

### -Who do buyers write checks to?

Checks should be written out to your organization. At the end of your fundraiser, Texas Roadhouse will collect one large payment for a percentage of the sales.

### -What denominations can people purchase?

The gift cards can be valued anywhere from \$5-\$100. If someone wants a gift card for \$27.43, that's exactly what they will get!

**At least 10% of the total gift cards sold goes to benefit your organization**
