

New this year is the kids' edition of our NightRun. On a shorter course, but with even more speed and fun, the little ones can show the grown-ups how it's done.

The Kids NightRun will take place on Friday, 24 May 2024 from 18:00.

Every child will receive a medal.

**IMPORTANT**: The liability waiver must be approved electronically by a parent or legal guardian when registering. This applies to both online registration and late registrations on site. You can read it <u>here</u> in advance.
