

Good evening Affiliates and Board Members of NDAHA

Two quick items for everyone!

### ***League Intentions for 2025-26 ~***

Just a reminder that team league intentions for the 2025-26 playing season are due no later than July 15, 2025 for the Pwee, Bantam, all Girls levels, the NDAHA Girls HS League and the Jr. Gold League.

- ***All Youth Boys Intentions***, please send to Dallas Kuntz ~

Shortly after the 15th of July, League Governance for the boys and girls will get together and discuss the recommendation for league play for the year. It will then be ratified by the NDAHA BOD's and be passed along to you. We usually try and have this completed to be sent out to everyone within 2-3 weeks after the original intention due date.

If you are on the fence about a team at a certain level, it's best to declare a team and if for whatever reason it doesn't work out, you can drop it.

### ***GameSheet ~***

Below is an email with a proposal from Steve Feinberg at GameSheet for NDAHA to move forward with GameSheet for the upcoming year. Please ***let me*** know prior to July 15th if your affiliate is on board with GameSheet for the year.

### ***~Start of email~***

Dear Members of **NDAHA** -

We're very excited to onboard our League/Members to this system. We have developed a pricing option to get all of our members utilizing the system.

All **NDAHA League** games will be scored on GameSheet - the system automatically updates standings / scores / schedule so in order to track your teams standings your games will need to be scored on GameSheet. Stats will be kept private.

### **Option 1**

#### **NDAHA League Play**

- **\$4/game/team**

#### **Example**

- **18 league game season \* \$4/game/team = \$72/team**
- **9 game season \* \$4/game/team = \$36/team**

We understand you'll have questions about GameSheet's state-of-the-art scoring app and league management platform. All your questions will be answered in due time once we progress closer to the beginning of the season!

***~End of email~***

All for now! Keep enjoying summer....as ice, sleet, snow, wind and cold temps will be here before we know it, but that also means it's HOCKEY SEASON! I for one will take the good with the bad!

Regards,
