Parents and ladies,

We will leave from school on Friday April 12 at 9:30. Both return and departure times are subject to weather delays so be flexible. I have chosen the Woodside Old Towne Hotel because it is adjacent to the complex. It does not have a pool but given our schedule I don't see a large block of downtime unless the girls don't sleep much. The hotel will be covered by our parking fundraiser we do at the Racine County Fair. The girls will need to pay \$40 cash to cover cost of food. Please send this with your daughters by Wednesday. Any excess money will be refunded after the trip.

We will have subs on our trip up to Mauston prior to our games. After Friday's games the girls will clean up and we will then go to dinner as a team. The girl's need to dress nice but appropriate. We will have continental breakfast at the hotel Saturday morning. We will have fruit for them as well. There will also be snacks and drinks available in the hotel that I will bring along.

After Saturday's game we will be returning to Shoreland. We will stop to eat if the girls wish or just snack on our remaining food.

Girls, please remember to pack warm clothes as the temps are supposed to fall next week end. If there are any other questions, let me know.
