- Insurance renewal – Jeremy to get the certificates to Laurie for facilities
 - Need to pay to renew PO Box - \$118 for 12 months
 - Reed did an inventory on equipment needs:
 - Wilson KP PeeWee GST Composite footballs; (WTF1782) for 2,3, & 4th grade Qty: 12
 - Wilson TDJ GST Composite footballs; (WTF1783) for 5th & 6th grade Qty: 12
 - Wilson TDY GST Composite footballs; (WTF1784) 7th grade Qty: 12
 - Tackle Wheels Fisher TW428 54 inch Qty: 6
 - Fisher Line Up Marker (product # 70010) Qty: 5
- Footballs are around \$40 a piece, tackle wheels \$450, and line up markers \$120.
Total investment: approx. \$4740
- Vote to order equipment through Dave’s Sport Shop was 7 yes, 1 non-response, ok to proceed
- Laurie checked on field availability: the stadium is available every Saturday afternoon of the season - cost is \$100/ hour. Flag football uses it on Sundays. The turf 2 field is available all Saturdays and Sundays - cost is \$90/hour.
 - Weigh-in on July 10th: Need more volunteers- Reed, Jeremy, Rick,
 - Football clinics – July 9, 11, 16, 18; Dave proposed via email: If we all agree, Let’s book the turf field for all 4 dates. We would have to have it reserved from 5-830pm each night. That would be \$315x4 for a total of \$1260. It would be a much better experience there then that track field that has no paint and unpredictable grass quality.

For the volunteers we would ask that we have as many coaches, varsity players, and parents available to help. Below would be the times for all dates July 9, 11, 16, 18. – Change to July 8, 10, 15, 17 – Laurie will check on whether the stadium field is available

Entering 2-4th grade; 5:30pm-6:45pm

Entering 5-7th grade: 7:00pm-8:15pm

Vote proposed via email, 7 yes, 1 non-response, ok to proceed – Laurie submitted facilities request.

- A note will go out about no school option for 7th grade – youth only
- Greg Ehrich is head coach of 8th grade football at CMS.
- Greg will be sending out the coaches training info soon.
- About \$55K in bank account after insurance payment; invoices for equipment, jerseys, coaches training,
- DQ will be sending a check to Mike for the sponsorship night.
- Mike will look into a Flip shopping app that would give us a percentage.. more to come
- Try to find an “in” at a place that would be more successful for pulltabs.
- Youth night will be Saturday, August 24th – there will be more to come; bag tourney again, need feedback
- Weight room training is evolving – inclusive of all sports, run by football coaching staff
- Update from Eric about Flag Football via email: National Flag Football worked with Community Education to keep the same agreement from last year - use the high school field (likely Sundays) and split the \$20 between CYFA and Community Education
National Flag Football will be sending out the tackle football registration document that Dave sent me a few weeks ago to the Centennial base they have in their system, likely will go out Monday (06.24)
If we get any requests for flag they ask that we send it they're way as she was only able to add one email and selected CYFA's email
- The next board meeting will be July 28th at 7PM at Green Mill.
