

New Hartford Youth
Hockey and
Whitestown Youth
Hockey Associations are

KEEPING YOUTH HOCKEY ALIVE!

Once rivals, now partners! Our mission is to provide competitive and affordable hockey for all players in our area.

WHEN OUR COMMUNITY WORKS TOGETHER, WE WIN TOGETHER!

In October of 2021, our two organizations partnered under the name of Oneida County Hockey Club (OCHC). The Oneida County Hockey Club is a competitive hockey program with teams at the 10U-18U levels. As a combined program we have the ability to play at the Tier II or Tier III level.

Why Donate to our organizations?

Year after year, local associations are seeing a decrease in players and an increase in mixed skilled teams. We are working together to take a proactive approach to save the youth hockey experience in our area and give every kid a place to play, whether a beginner or skilled athlete. Help us by donating today!

Community

The parents and athletes at our organization love to support the businesses that support them. This donation will give you a direct connection to our organization's parents, athletes, and fans.

About us

The Whitestown Youth Hockey Association is a 501(c)4 Not-For-Profit Corporation and the New Hartford Youth Hockey Association is a 501(c)3 Not-For-Profit Corporation. We rely solely on families, volunteer coaches, board of directors and donors like you to provide recreational and competitive youth hockey. We're the proud home of over 330 youth athletes ranging from the age of three years old to high school aged kids who represent the next generation of our community. Both organizations are deeply-rooted in our communities with NHYH serving our community for 50 years and WYHA for almost 40 years.

Tournaments. Tournaments are a great team building experience. Our goal is to be able to fully fund at least one tournament per team each season.

Equipment. Our organizations offer rental equipment for Learn to Skate programs. It is necessary to keep the equipment up to date for these programs. These funds are also utilized for training aids for practices, practice jerseys and any other equipment to aid in the success of our program.

Player/Coaching Development. In order to be proactive in maintaining the skill and competitiveness of our organization, player and coaching development is necessary.
