January 4th, 2022 - BCMBA Board of Directors Meeting

Meeting hosted via Google Meet

Minutes

Roll Call: G.Butler, J. Braaten, D. Garton, A. Hayes, V. Greenwood, J. Raymond, S. Coleman, C.Martin, N. Dhaliwal, M. Van-Der Loos, M. Hall, D. Michaud, H. Gurney, R. Hall, D. Cabalfin, Raj Puri, A. Forman, N. Van Dyk, T. Cornett-Baker, M. Kelly

Absent: Dave Garton

Meeting Called to Order: 8:01 pm

Presidents Opening Remarks:

- President's opening remarks: here we go 2022. I think everything's been looking up as far as being able to get into field....Hopefully the pandemic won't go backwards on us, and we'll be able to get a reasonable season in
- Reminder to new director's to get familiar and don't be afraid to ask questions

Adoption of Minutes : TABLED FOR EMAIL VOTE

- December 2021 BoD Meeting
- Not sure if we're all ready to adopt these at this time
- Little more time needed to through minutes
- **Carmen** - sent a question just before the meeting started about changing the time of the meetings at certain parts of the year.
- **James**- It's not in the minutes, but I did go back to the transcription. We did say we were going to change to 6:00 , January/ February/March....going to 8:00 April right through September, then back to 6:00 in October. Since then, I've gone in and updated our calendar to reflect the correct times.
- **Carmen** - will send edits to Val
- **James** - advises that when the draft minutes go out to the BoD prior to the meeting that directors are to send edits to Val so that she can present the edited minutes for adoption
- **Grant** - what we'll do is give ourselves....what's today then? the 4th, what do you say we give ourselves all until the...how about, have any replies back to Val by the end of the 9th. That gives people a lot of time to have a quick read, review their notes, make any revisions they wish to make and get back to Val. So on the 10th, Val, can put out a quick call to everyone to adopt the minutes via an email. Any discussions at that point in time, we'll deal with them then, okay? Great, so we're going to table that to the 10th of January.
- Timeline for minutes moving forward will aim to have them distributed to the BCMBA BoD within 14 days of the meeting date

Additions to the Agenda:

- Spring Workshops format and dates: March 08 - single meeting(all regions) - online

1

- BoD email infrastructure and usage: I assume anyone's got any emails that were assigned to them sorted out, and they've got them on their Chrome webpage? Anyone if you have any problems, call James, email, meet up and get that sorted out.

Correspondence:

Secretary -

- Executive Rosters - Burnaby, Victoria, Vancouver Community

- Question from Anne - did you not get the roster from Vancouver Community?
 - Val - No, I know the changes, but haven't received the forms.
 - Anne - ok will send to you.

Business Arising from Minutes:

- None

Executive Reports:

President - **Grant Butler**

- no report

First VP - John Braaten

- I have reached out to associations that have previously "hosted" spring interlocks in the Lower Mainland given it has been two years since last organized and many volunteers have moved on. For the most part want to ensure BCMBA is there to assist in putting associations in contact for pre-spring planning as "we" do not manage local/regional interlock programming/scheduling. Vancouver Island, Interior, and North Interlocks are generally coordinated within each regions at their pre-spring meetings and will assist there as well.

Second VP - Dave Garton

- No Report

Treasurer - Anne Hayes

- cash flow, income, and balance sheets were sent out
- Any questions?
- Financials
 - Motioned: Steve Coleman
 - Seconded: Ryan Hall
 - M/S/C

Secretary - Val Greenwood

- Vancouver Community - new president - Eric Gold
- Prince George - new president - Frank Peebles

Administrative Director - James Raymond:

- Everyone should have their BC Minor account(s) set up. I hope people are out there and tinkering around, going into their shared drive and looking at what information is there.
- Most of everything you're going to need to answer questions is in that drive.
- Going to start taking reports and putting them as I see them.
- There will be an archive of your reports from year to year.
- Email groups, they are restricted and that's to respect and uphold the communication channels that we set out some time ago
- In the calendar I have scheduled training sessions, if the times don't work for you, just let me know.
- See Report

Committee Reports:

Rules Committee - Daniel Michaud / Carmen Martin

- Daniel - the only thing we're talking about is - maybe it's a discussion to have with the 18U AA
- Grant: Okay, there's some rule changes in, at the last AGM.

Player Eligibility Committee - Neal Dhaliwal

- See report

Discipline Committee - Dave Garton

- Will call committee members for meeting to determine plan for coming season

Girls Baseball Committee - Val Greenwood / Marty Van-Der- Loos / Al Forman

- will be having conference call Wednesday at 7:30 - discussion on girls participation at the coaches conference

Umpire Liaison Committee - Grant Butler / Raj Puri

- We would like to recognize and congratulate Rhonda's recent Baseball Canada award.
- We sent out the survey requesting our member associations to be involved about what they have and what they might like to see.
- We have until January 15th, so we're to have the directors to ask their associations, I assume to reply to that email or to follow-up on that. It'll be one of the things we do for the director assignments to associations.

- On December 30th I send out an email from ourselves to Rhonda Pauls at BCBUA, cc's Raj and John, Chris Balison, President of Baseball BC in regards to our proposed junior umpire program, setting out the idea that clearly behind it
- "As previously discussed, BC Minor is not looking to replace, sabotage or negatively affect the BCBUA"
- We share the same problem: a lack of umpires, carded or not
- BCBUA will be willing to put together a 9U program since they already have a 11U program that might be a cheaper model and maybe generate more umpires
- Rhonda says "BCBUA does not recruit umpires. They only train them"
- BCMBA does not recruit umpires either, this is up to the local associations
- Rhonda has repeatedly said over the years that they don't recruit, well whose job is it?
- The recent communication from Baseball BC is that they are expecting Baseball Canada to send out some sort of messaging out in regards to umpire recruitment and trying to build that up
- I think the umpire thing is moving along just fine. We have an answer, we have some interest, attracting some attention, we've got some momentum and we'll carry on
- We'll follow up next week asking you to send out messaging to your assigned members.

High-Performance Committee - John Braaten / Mike Kelly

- **Mike** - John and I are going to Chicago tomorrow - we'll have something in another week or so
- Dates are a priority

Boundary and Affiliation Committee - Steve Coleman

- No report at this time

Coaching Development/ NCCP Committee - Mike Kelly / John Braaten

- Mike Kelly and I will be travelling to the ABCA this week to attend the conference in Chicago. Have meetings scheduled with ISG for future planning including the upcoming BC CoachesConference and the Travelling Caravan
- Working with Baseball BC re: NCCP course schedules in conjunction with Conference attendees (no firm dates but similar to what 2021 looked like for offerings)
- Have had recent meetings in the last couple of months in finalizing conference scheduling and various logistics that need to be worked through. More updates to come to the board after the ABCA. Had an initial discussion with Marketing as well in preparation of the conference and caravan respectively.
- We are positioned to go virtual should it appear that COVID-19 presents in-person to be an issue.
- Conference dates February 11 - 13

2022 BCMBA Traveling Caravan - John Braaten / Mike Kelly

- Dates and a call to host will be sent out shortly

Marketing Committee - James Raymond

- See report

Grassroots Committee - John Braaten

- Had a video call with Steve Coleman back in December to bring him up to speed on past initiatives and continuing on in 2022 with our three phase programming surveys and discussions that began in 2020

Risk Management / Insurance Committee - John Braaten / Anne Hayes

- Updated PHO protocols still in effect for indoor activities along with vaccination requirements for volunteers. LSO (local sports organizations) should also note the updated Baseball BC Safe Sport updated reference material <https://www.baseball.bc.ca/safe-sport>
- **John** - had association ask about waivers - player and adult waivers used since Covid do not appear to be going away - Associations should keep them on their website registration forms
- **Ryan** - is that something we have to renew each season or once the waiver is signed is it good ad infinium?
- **John** - We were told when in came out in 2020 it could be rolled over to 2021, but I think most associations have it embedded now. They don't see anything changing for baseball programming as it's all outside other than what's already in place for the volunteer coaches and what's needed for indoor programming with the local governments.

Challenger Baseball Liaison - Steve Coleman

- Steve to follow up this Tim Hall, President of Challenger
- See report

Website Committee - James Raymond / Anne Hayes / John Braaten

- See Report

 - Player of the Year - 1 nomination
 - Coach of the Year - 2 nominations
 - Umpire of the Year - 1 received
 - Roll of Honour - 12 nominations
 - committee will have conference call to determine honorees
- **Grant** - Are we going to look at Team of the Year or are we going to tell them that we are going to table to next year when we have a full slate of teams out there? Is that fair or is there an argument to award it anyways?
- **James** - I closed the nominations on the 31st of December (the original deadline was December 15th) for the deadline.

- **Val** - we extended the deadline from December 15 to the 31st of December and we still received nothing

 - Anne - I'm in the process of renewing all the insurance and there's three, it's just a long complicated thing I am working out. James has done a lot of work on it. We will be submitting prior to January 15th.

Other comments or questions

- **James** - Because of the fluidity of what we do, it's really important for the chairs and directors to take a look at the agenda prior to the meeting and then they can email advise the secretary of any edits needed. It will streamline our meetings and minutes
- **Grant** - I think we are done. Thank you everyone for joining in, Happy New Year, I hope all goes really well for BC Minor Baseball and for the local associations that some of you are involved in.

The Marketing committee will meet in early January to discuss priorities, and approaches for our 2022 programs and events promotions. We will also look to assign "project leads" so that we can diversify the understanding and functionality of the Marketing elements.

Develop plans to support and promote member associations - We will look to assign a dedicated member(s) of the group to liaise with our member associations on ways and means to help them promote the growth and health of baseball in their local communities.

Build an annual sponsorship program for launch in the fall of 2022 - BCMBA has established a reputation for inclusive and high quality programming. The purpose of a strong sponsorship program is to fund the growth and development of our current and future programming while minimizing or eliminating the escalating cost burden passed along to our member families.

Long Term Needs:

Event marketing package - The Marketing committee will look to standardize our role in the promotion of BCMBA events by developing a package that will outline the needs and timelines associated with promoting BCMBA events. This package will be used as the tool to coordinate announcements and advertising with the event chairs and committees. This should make the ability to transition the marketing components to future chairs and coordinators.

The applications for the 2021 BCMBA Scholarships closed December 30th, 2021. We received a total of 11 applications. As there is a conflict of interest for me, I will not be involved in any manner with the selection of the candidates. All applications will be forwarded to Mr. Mike Kelly who will work with the other scholarship committee members to review and select the successful scholarship candidates based upon our published criteria. Scholarships will then be awarded at our 2022 Coaches Convention.
