

Centennial & Spring Lake Park Girls High School Hockey

2023-2024 Media Guide Program Sponsorship Information

The mission of the Centennial Girls Hockey Blue Line Club (BLC) is to enhance and promote the Centennial & Spring Lake Park High School girls varsity and junior varsity hockey teams. The BLC is a 501(c)(3) non-profit organization, comprised of parents and friends of the hockey players and coaches. One fundraising activity hosted by the BLC is the sale of business ads for our Hockey Media Guide. The net proceeds are used to cover team costs in excess of the school budget.

Because of your support, the Hockey Program (Media Guide) is distributed **FREE of charge** at all girls high school hockey HOME games beginning in November. With the success of our hockey teams in recent years, you can get your message out to numerous fans in the Centennial & Spring Lake Park communities.
