

Evolution Select Signing Day 2023

Overview

Your Evolution coaches are finalizing their Select player rosters for each of our 2023-24 teams now. We will prepare a contract packet for each player who is Selected, and those packets will be attached to the **official selection notification emails** to be sent out after midnight on Friday, June 30th. That email is your invitation to join us for Signing Day!

At this event, players and their parent or guardian will sign their contract paperwork, take Signing Day photos with their coaches, and make their initial fee payments. New players will be fitted for uniforms and place their uniform orders. New players may [click here to select an available jersey number](#) now. Returning players can also place uniform orders if they need new or larger gear. Evolution Spirit Wear will be available as well.

Location

This year we'll be at **Covenant Christian Academy, 901 Cheek-Sparger Rd, Colleyville, TX 76034** for our Signing Day event. [Click here for map](#). There's parking available on both the north and south sides of the main building, and the building entrance is on the east side (where the circular driveway is). Come through the doors and proceed to the basketball gym to get started!

Sign-by-email Option

If you're out of town or otherwise unable to attend Signing Day in person, that's no problem! You'll have the option of signing your paperwork remotely. **The contract packet will be attached to your official selection notification email as a PDF.** Read it, fill it out & sign it, and then email it back to us. New players will need to provide a copy of their birth certificate or passport as well. We will take care of uniform fittings starting July 5th and *by appointment only* at our office - we'll contact you to book those appointments.

Frequently Asked Questions

What time should I plan to come?

Try to come during the scheduled time for your team -- see the "Schedule" section on the last page.

What should I bring to Signing day?

New players should bring a clear copy of your birth certificate or passport. Photos will be taken, so returning players should wear their **Green Evolution Game Jersey**. Parent & player must each sign the paperwork.

What if we won't be in town, can't make it, or would prefer not to attend in person?

No problem! The official selection notification will have your contract packet attached as a PDF file. Print it out, read & sign it, and then email it back to us. New players must provide a copy of their birth certificate or passport also. We will take care of uniform fittings starting July 5th, *by appointment only*, at our office in Colleyville.

How much are the fees, when are they due and how can I pay?

Program Fees for 2023-24 will be **\$2,745** for Premier league teams, and **\$3,180** for Classic league teams (which helps cover their higher league costs, additional tournaments & game films, and other higher team expenses). Premier teams attempting Classic league qualification will pay the Premier rate at signing, and be assessed for the additional **\$435** in October if they successfully qualify. We accept cash, check or money orders payable to “Colleyville Soccer Association”, or credit or debit cards. Fees are due at signing, and we offer these 3 payment plan options for your convenience:

	Premier league teams	Classic league teams*
Option 1 - Pay in full up front	\$2,745	\$3,180
Option 2 - Four monthly payments	\$775 at signing and \$740/month for 3 months - total of \$2,995	\$1,210 at signing and \$740/month for 3 months - total of \$3,430
Option 3 - Half down & 10 monthly payments	\$1,495 at signing and \$150/month for 10 months - total of \$2,995	\$1,930 at signing and \$150/month for 10 months - total of \$3,430

**except for U19 Classic teams doing a modified (reduced) program this year*

What's included in the Program Fees at Evolution?

Training, league play, referee fees, practice fields, NTSSA and US Club Soccer fees, GotSport & TeamSnap, winter off-season training, tournaments (up to 4 for Premier, 6 for Classic), friendly matches & scrimmages; game video, goalkeeper training, and coach equipment & travel expenses (if applicable).

What's not included in the program fees?

- Evolution Soccer Camps are not included (but discounts apply)
- Uniforms are not included - full mandatory kit for New players is **\$335**
 - Evo Academy (2013) players already have practice jerseys & socks, no need to purchase again
- Player & family travel costs for out-of-town tournaments (if applicable) are not included

What happens after Signing Day?

Most teams will have **no practices until after July 4th**. Happy Independence Day! Then we return to training and prepare for pre-season tournaments. We will start using TeamSnap to communicate with you, to post schedules and to track player availability. League play begins in August or early September (varies by league).
