## PROGRAM DESCRIPTIONS

### Fall Season

Training sessions begin mid-August and goes to mid-October; league play for U9-U14 teams from September - October. There is no fall league for U15+ due to high school season.

### Spring Season

Outdoor team training sessions will begin in April and end in mid-July with league play in May - July.

### Mini Camps

- November – December (6 weeks)
- Weekly training with age group in the Savage Dome with PLSC training staff – 2 different mini-camps offered on different days of the week.
- A la Carte cost is \$150.00/6 weeks. This program is OPEN to all PLSC members on teams playing in TCSL leagues.

### Advanced Developmental Training

- January – March (12 weeks)
- Intense work and focus on technical and tactical foundations.
- Weekly training with age group in Savage Dome with PLSC training staff. Players grouped by age, and split according to team/level when needed due to numbers.
- A la carte cost is \$300. This program is OPEN to all PLSC members on teams playing in TCSL leagues.

### Goalkeeper Trainings

- Twelve keeper trainings at the Savage Dome January – April aligned with ADT training.
- A la Carte cost \$300. This is OPEN to all PLSC members on teams playing in TCSL leagues.

### Speed & Agility

- 2 six-week sessions available
  - January – February (6 weeks)
  - February – March (6 weeks)
- This program is for the U12+ player that wants to level up their fitness level and their ability to be the boss of the ball. Please consult with your child prior to registering for this program as it is a high intensity training program. Limited spots available.
- Cost is \$150 per session. This program is OPEN to all U12+ PLSC members on teams playing in TCSL leagues.

### Futsal (played on gym floor at Prior Lake High School)

- January – February (6-7 weeks/Sundays)
- Weekly training with team and coach in the gyms at PLHS

### Technical Tutor

Opportunity to work with PLSC staff and/or trainers on technical skills during the summer months.

# PRIOR LAKE SOCCER CLUB

Player Development and Team Options **BY AGE GROUP**

## FREQUENTLY ASKED QUESTIONS ABOUT TRAVELING SOCCER

### ***How is the Traveling Program Organized?***

By age, gender, skill, and commitment level. The goal is to have each player appropriately placed and challenged while providing a safe and fun environment. We offer various levels based on your child's birth year.

### ***How many teams do you form in an age group?***

This is dictated by the number of players at each level. At times we may need to combine birth years to have enough players to form a team.

### ***How does a team decide what competitive levels they will compete at?***

Teams will be assessed by the Development Committee and placed in appropriate competitive level.

### ***Can a player play basketball, hockey, dance or another activity in the winter season and select the YEAR-ROUND development track or be placed on a NAVY team?***

Yes, this is the case for the YEAR-ROUND development track and can also work for NAVY team members. We ask that you are committed to attending practices/games when available, which requires good communication with coach/manager.

### ***If my child is evaluated and placed on a GOLD team can she/he participate in the winter programs?***

Yes, all GOLD team players will have an option to participate in Mini Camps and ADT. These will be a la carte for GOLD teams and will require additional registration and cost.

### ***Where are practices and home games played?***

At various city and school fields throughout the ISD 719 area.

### ***Does PLSC use parent coaches?***

Yes – All coaches, parent coaches included, are required to be licensed and are paid. As a club, we often NEED parent coaches in order to fill all coaching positions.

### ***Is there a difference in coaching between the different development tracks and/or team designations?***

Short answer: Yes – higher level coaches often prefer to be placed with teams with higher commitment levels. These coaches have additional expectations and spend much more time with players on and off the field due to the additional commitment expected of NAVY team members.

### ***Are there other additional costs on top of registration?***

Yes. At times there are additional costs. These include:

- Uniform Kit (ordered in October/November every 2 years): \$150.00
- Tournaments: Additional tournament costs beyond stipend provided by PLSC is split amongst all members of team.
- Coaches travel: Travel/per diem for coaches at away tournaments is split amongst all members of team.
- Winter leagues: split amongst all members of team. Many NAVY teams may opt to play in winter leagues or NPL – these would be an additional cost split by all members on the team.
- Additional field time: During winter/early spring, additional gym/turf time may be available – costs split amongst members of the team.

*\*REGARDING COST AND COMMITMENT: Please make sure you are aware of the cost and time commitment of the team your child is trying out for. Our NAVY teams participate in different leagues based on each team's ability/commitment level, and often find additional opportunities together in the winter months and beyond. NAVY teams may also have additional coaching fees.*

*\*REGARDING PLACEMENT: PLSC will attempt to place all players within the club with the goal of finding the place where each player can experience success.*
