Kim house update and Issues- 4/16 is equipment day for the house program. 710 kids, 64 teams, 71 coaches short 2 coaches. Biggest issue is 10 teams for 1 field. Need a home field for U12+U15 for practice on Thursday and Fridays. Kim will ask Bob about Walden Ponds. Turf nets need to be replaced. Registration system has a flaw because you can't cap age groups without closing the registration for all age groups.
