

Ski & Board Team Week 6 Update, PLEASE READ

Team: Saturday, WOW! I've been skiing at Bogus for over 20 years and Saturday was probably in the top 5 best powder days I've had up there. I hope you all enjoyed it as much as I did. We had great turnout for the races, thank you for that. We even beat Centennial! We have one more Saturday race left before Dotty Clark. Remember you must race in at least 2 Slalom and Freestyle and 3 Nordic to qualify!

Congratulations to all of our top three finishers this week. **Ryan Grubb 1st place EXP, Max Fuller 2nd place ADV, Josie Pape 3rd place ADV, Luke Johnson 3rd place SBI and 2nd place FBI, Wylie Warchol 2nd place FSI, Cheyanne Hannaman 1st place FBI**

- Check our Team Page for race results Monday. If there are any issues you will need to bring them to my attention before Wednesday following each race.
- This week's team Masses is Thursday Feb. 14th at 7:25 am in the Chapel. Your attendance is required at every team Mass in order to letter. Get there early and don't forget to sign-in (That can be after Mass, look for me).
