### **Section 1.3 Voting/Amendments**

#### **Section 1.3.1 Voting**

Each team manager or authorized representative is eligible to vote. All teams must attend the mandatory March district meeting to be full voting members for that season. New teams that arise after that meeting may be considered for current year membership by a majority vote of current teams.

#### **Section 1.3.2 Amendments**

All rules and amendments require a 2/3 majority vote to be passed. Each team's manager or designated representative will cast a vote.

## **Section 2**

### **Team Eligibility**

#### **Section 2.1 Eligible Teams**

Membership shall be open to all Posts within the District. The district is defined as the Counties listed on the district page of the official Department website or any areas added by the Department Baseball Committee.

Any Post may enter a team for competition in this District by completing the new team application form (with approval) by the deadline as indicated in Section 10.

The impact on existing teams recruiting area will be given consideration.

Under no circumstances will more than one (1) team be able to use the same base school.

Teams without a Post sponsorship are also eligible in areas where there is not a Post-sponsored team.

Any team that files their final roster with less than 12 players listed will be ineligible for the District Tournament.

#### **Section 2.2 Team Organizational Structure**

Each team shall have a Manager appointed by the Post Commander and/or the Post Baseball Chairman. This Manger shall be indicated on the National Team Registration

form. The team Manger or his appointed representative should be present at all District meetings.

The Post Commander and/or Post Baseball Chairman is responsible for supervising the play of his/her Post entry, for the team conduct while participating in American Legion Baseball and assure that all rules are fully complied with.

### **Section 2.3 Forfeits**

The refusal to compete fully in the League will result in the forfeiture of the right to play in the District Tournament.

If a team is found to have an illegal player all games that player participated in will be forfeited and count as a loss.

A team does need 9 players to start and finish a game. If a team falls below the (9) player limit that team will forfeit. Each player must be listed on the team's current national roster submission.

If a team does not have the proper paperwork to the District Director by their first league game, all games that are scheduled will be a forfeit until all proper paperwork is filed.

Any team that forfeits two (2) league games will be disqualified from the District Tournament. Additional penalties may be imposed as determined by the District Director with input from the Department Baseball Committee.

NOTE: Any forfeits due to pitch count rule violations will not be counted towards the maximum forfeit rule listed above

A forfeit in the District Tournament will cause offending team to be removed from tournament play and be ineligible for the District Tournament in the following season. The District Director with input from Department Baseball Committee will review the circumstances of the forfeit, with consideration of injuries and other unforeseen circumstances, in determining the team's eligibility for the next season's league play and post-season play.

## **Section 3**

### **Individual Player Eligibility**

A player is eligible to compete in the American Legion Baseball program if he abides by the American Legion National by-laws and player eligibility requirements. These requirements can be found in the National Rulebook, Rule 2.

The National Rulebook, Rule 4D Transfer rule states that *"A player released from a team must obtain permission on National Transfer Form #76 from that team's manager."*

Beginning with the 2023 season there will be three (3) levels of American Legion Baseball in the Department of New York. Senior (19u), Junior (17u), and Prep (15u).

A player is granted an automatic release at each of the following occurrences:

1. At each level of American Legion Baseball, for example, a player that has previously played at the Prep (15u) level is granted an automatic release when he advances to the Junior (17u) level and then again when he advances to the Senior (19u) level.
2. Anytime a player's residence changes that results in a change in school, regardless of any change in level.

No manager shall deny a form #76 release to any player that qualifies for an automatic release regardless of player age. Even though this release is automatic and must be granted, the form must be completed properly for the player to be eligible.

A player loses this right to an automatic release once the player appears on the official form 1 roster for any American Legion team at each level.

At the end of the season, if the player is not advancing to the next level, the player can request a release, but the manager does have the right to refuse. (Exception: the team previously played for is no longer participating in the league.)

No dual roster of players is allowed.

Managers and coaches are expected to have integrity and reflect American Legion values. District directors will be responsible for settling any disputes that are unable to be resolved at the team level.

Any effort or attempt to undermine, avoid, or abuse this rule in any way will be met with strong disciplinary action by the NYS Department baseball Committee up to and including dismissal of the manager.

Players who graduated from high school shall play for the last American Legion team they played for. If that team no longer exists, then they must play for the team nearest his parents' domicile.

## Section 4

### Senior League Rules

#### **Section 4.1**

All teams must compete in the 6th District Baseball League to be eligible and complete their league schedule to be eligible in order to be considered for the District 6 playoffs. Refusal to compete fully in league play will forfeit your right to play in the District 6 playoffs.

#### **Section 4.2**

Teams must also play a minimum of 10 games against fully registered American Legion teams. This can be accomplished by counting league and non-league games with the above-mentioned ALB teams.

#### **Section 4.3**

A point system will be used to establish league standings which will be as followed:

Win = 2 points

Tie = 1 point

Loss = 0.5 points

Forfeit = -1 point (from total points earned)

#### **Section 4.4**

Teams will be given the league schedule after the mandatory March meeting and any changes needed by any team must be submitted to the District Director (David Martinkovic) and Assistant District Director (Mike Jester) by May 1st. Soon thereafter the Assistant District Director will send all managers the final league schedule.

##### **Section 4.4.1 League Play**

League schedules will be sent to the NYS Department Chairman prior to the start of league play. League schedules must also be uploaded to the NYS Department website, <https://www.nylegionbaseball.com/>. Failure to do so will incur a \$200.00 fine for that District.

#### **Section 4.5**

#### **Section 4.6**

All rainouts must be reported to the District Director / Assistant District Director and rescheduled within 72 hours of the date of the rainout. The District Director / Assistant

### **Section 4.7**

The winning team shall be responsible to notify the District Director / Assistant District Director of the box score of the game by the end of the night in which you play so that league standings can be accurately updated after each night's game. **Mike Jester (Oneonta Green Wave Post 259)**.

Each team must also report lineup cards and pitch counts after each game. The pitch count forms must be signed by each team's manager/coach and it is the responsibility of the home team to report to **Matt Ferraro (Endicott Post 82)**.

#### **Section 4.7.1 Gamechanger**

Each team will be required to set up a Gamechanger account and populate the coaching staff and player roster only and notify Matt Ferraro (Endicott Post 82) that an account has been created. **DO NOT ADD YOUR SCHEDULE**. At that point, you will receive an invitation to the ALB District 6 League. After all teams have accepted their invitation, game schedules will be populated for each team. The official scorer for your team will score games from the league and not the individual team page. Multiple teams can score AND stream the same game within the league setting. All stats will be kept in the league as well as pitch counts. If there is a discrepancy, the official total will be the Home Team Scored Game.

### **Section 4.8**

All teams must register electronically on the national legion website with the Department of New York and complete all the national background checks and forms.

All teams must be a registered team within the Department of New York State. Any team that has properly filed the necessary documents and has the proper liability and medical insurance as required by National and Department Rules is allowed to compete. All due dates will be provided for teams at the coaches meeting.

If a team does not have the proper paperwork to the District Director by the Department due date, the team will not be allowed to play in league play for that season unless authorized by the District Director or the Department Baseball Committee.

### **Section 4.9**

All matters needing clarification of rules shall be run through the appointed Baseball Administrator who shall forward his ruling to the District Director. All teams may ask Administrator to recuse himself if the ruling involves his post team.

#### **Section 4.14**

Only coaches and managers that are listed on the team Form #1 will be allowed on the field or in the dugout during the game.

#### **Section 4.15**

#### **Section 4.16**

All players and coaches will wear a full team uniform in the dugout and on the field. **NO SHORTS!**

When the District 6 Playoffs begin, the uniform top worn by all players and coaches needs to include an American Legion shoulder patch. During regular league season the shoulder patch will not be required but is recommended.

- ☒ The courtesy runner rule as defined in section 7.3.2 is permissible to use during the Senior regular season and District Playoffs
- ☐ No courtesy runner rule will be allowed

##### **Section 7.3.2 Junior Division/Prep Division**

Teams have the option to use a courtesy runner for the pitcher and/or catcher at any time. The umpire in-chief shall record courtesy runner participation and announce it to

the official scorer. For speed-up purposes, it is recommended that the courtesy runner be used with two men out in all games.

#### CLARIFICATION

The courtesy runner rule does not apply to a pinch-hitter for the catcher unless the catcher has been re-entered. A team may not use the same runner for the pitcher and catcher in the same inning. The courtesy runner may not be removed from a base to become a pinch hitter. A player removed from the game may not be used as a courtesy runner. Should the courtesy runner pinch hit, pinch run or enter the game at any position, he will no longer be eligible to be a courtesy runner. A player who violates the courtesy runner rule is considered an illegal substitute.

### **Section 7.4 Designated Hitter**

Must check only one (1) option below:

- ☐ The designated hitter rule as defined in section 7.4.2 is permissible to use during the Senior regular season only

#### **Section 7.4.2 Junior Division/Prep Division**

A hitter may be (not mandatory) designated for any one starting player (not just pitchers) and all subsequent substitutes for that player in the game.

A starting defensive player cannot be listed as the designated hitter in the starting lineup. A designated hitter for said player shall be selected prior to the start of the game, and his name shall be included on the lineup cards presented to the umpire-in-chief and to the official scorer.

Failure to declare a designated hitter prior to the game precludes the use of a designated hitter in that game.

If a pinch hitter or pinch runner for the designed hitter is used, that player becomes the new designated hitter.

A designated hitter and the player for whom he is batting are locked into the batting order.

No multiple substitutions may be made that will alter the batting rotation.

#### CLARIFICATION

The role of the designated hitter is terminated for the remainder of the game when:

- a) the defensive player, or any previous defensive player for whom the designated hitter batted, subsequently bats, pinch-hits or pinch-runs for the designated hitter, or

### **Section 7.5.2 Junior Division/Prep Division**

Any of the starting players may be withdrawn and re-enter once, including a player who was the designated hitter, provided such player occupies the same batting position whenever he is in the lineup. A substitute who is withdrawn may NOT re-enter.

#### **CLARIFICATION**

Keep in mind that once the POSITION of DH is eliminated in the game it cannot be used again, however the PLAYER that was the DH is eligible to re-enter in the same position in the batting order for the substitute player that replaced him in the lineup, however he must play a defensive position.

Every team **MUST** have the following resources at every GAME/PRACTICE. No game/practice can take place without the following:

1. An AED located on the bench in full operational condition
2. A person(s) certified in CPR (having more than one person certified in CPR is highly encouraged)
