UPDATED SPECIALIST INFORMATION

Level 9/10 Specialist Update: Athletes do not need to declare that they are a specialist before the state meet. They may decide during the State meet if they will enter as a specialist at the Regional competition. The QUALIFYING SCORE FOR BOTH LEVEL 9/10 IS 9.225 TO QUALIFY TO THE REGIONAL COMPETITION ON AN EVENT - THE SCORE NEEDS TO BE ACHIEVED AT THE STATE MEET.

Petitions will be accepted for specialists that are injured provided that they have a score that is more than .25 higher than the Regional qualifying score on that event at a qualifying competition.

At the State meet we will not accept inquiries for a specialist for .1 to qualify on an event.
