

**Call for Applications: 2029-2037 Compulsory Choreographer**  
**Application Deadline: September 1, 2025**

### Overview

USA Gymnastics Women's Program is inviting applications for the role of **2029-2037 Compulsory Level 4 Balance Beam and Floor Routine Choreographer**. This role is ideal for an individual who blends artistic creativity with a deep understanding of foundational movement, rhythm, and technique appropriate for developing compulsory athletes. The selected choreographer will collaborate with the USA Gymnastics Compulsory Coordinator and National Office staff to enhance the quality and consistency of compulsory routines, contributing to a strong and unified national standard.

### Required Qualifications

- Experience choreographing for a variety of ages and abilities.
- Strong communication skills and a collaborative mindset.
- Strong public speaking skills and confidence presenting to large groups.

### Preferred:

- Understanding of gymnastics technique, posture, and performance quality.
- Ability to break down movement in a way that is clear, teachable, and age appropriate.
- Demonstrates strong attention to detail in both planning and execution.

### Application Materials

Applicants should submit the following by **September 1, 2025**:

1. **Resume**
  - Include relevant coaching, choreographic, or gymnastics experience.
2. **Statement of Artistic Approach** (Max 500 words)
  - Share your perspective on how to build artistry and technique in young gymnasts.

### Selection Timeline

STEP	ACTION	TIMELINE
1.	Call for applications / resumes	July 1 – September 1, 2025
2.	Review period	September 1 – 10, 2025
3.	Video sample request from selected applicants	September 10 – October 1, 2025
4.	Final decision & Contract Issued	October 2025
5.	First choreography assignment	December 2025

### Submission Instructions
