STERLING SOCCER CLUB

SPRING 2024 COACHES MEETING

REFEREES INFORMATION

- ✓ Our REFEREES – the backbone of our Referee Team!!
- ✓ Coaches and Parents – critical components of a successful referee program!
 - The Referee's focus is:
 1. To Ensure player Safety and Enjoyment, and Enforce the Laws of the game (SEE)
 2. Entitled by US Soccer Federation (USSF) as well as the Sterling Soccer Club to use the 'Ask, Tell, Dismiss' policy as needed
 - REFeree-In-Training (REFIT) Junior Referees trained by Sterling Soccer are used for our small sided 4v4 games at the U6, U7 and U8 levels (8 new REFITs for Fall)
 - State Certified Referees require yearly State Recertification and are used for the U9/U10 rec/house, and U11 thru U19 NCSL-Rec levels (about 15 new Certified Refs for Fall, 7 of them being REFIT upgrades!)
 - **Book-smart** does not equal **field-smart**, referees learn by doing , just like players!
 - Takes a full year (~25 games) to develop a referee – they need to 'see stuff' and learn from their mistakes (yes, mistakes will unfortunately happen)
 - **PLEASE REPORT REFEREE CONCERNS TO the Referee Assignor and refrain from approaching youth referees with your concerns**

✓ **Dave Taylor**
Referee Assignor & Coordinator
referee@sterlingsoccerclub.org)

✓ **Tara Koehler**
Club Administrator
admin@sterlingsoccerclub.org

- The glue that holds the whole thing together!

✓ Rule Review for U6, U7, U8

1. Single Referee In Training (REFIT) scheduled for each game
2. Game format is 4v4, possible 3v3, but no 5v5 (too crowded and dangerous)
3. Coaches can 'help players' on the field during first 2 weeks, then off field please
4. NO DEDICATED Defenders or Goalkeepers please, the objective at this level is to get LOTS OF TOUCHES/SCORING BY ALL PLAYERS (position development is later)
5. The point of the 'ARC area' in front of the goal is that it's a potentially dangerous area for player-player & player-goal collisions, so it's a no-go area for all players
6. ARC area rules are soft, only called if a consistent problem or clear goal denied
7. What should be called by the REFIT is a denial of a goal by a defender who defends in the ARC area – the goal is awarded to scoring team
8. **NO JEWELRY IS PERMITTED**, including **NO TAPING OF EARRINGS**
 1. Please do not make the referee the 'bad guy' when this is shared with the player and they are told that they may play, but only without earrings

STERLING SOCCER CLUB

SPRING 2024 COACHES MEETING

REFEREES INFORMATION

✓ Rule Review for U9/10 (7v7 games)

1. Many of our Local Laws of Competition prioritize the safety of the players
2. This is the first level with goalkeepers, so referees are instructed to 'protect' them aggressively by blowing the whistle if/when a collision is possible
3. Coaches can 'help players on the field' for first 2 weeks, then stay off field please
4. Coaches must familiarize themselves with the 'Build Out Line' rules
 - Goalkeepers cannot punt the ball
 - For goal kicks and goalkeeper pickups, defenders must retreat behind the build-out line giving space for opposing team to 'build out' an attack
5. **NO DIRECT KICKS**, again for safety reasons (therefore no Penalty Kicks)
6. **NO JEWELRY IS PERMITTED**, including **NO TAPING OF EARRINGS** please!
 1. Please do not make the referee the 'bad guy' when this is shared with the player and they are told that they may play, but only without earrings

VYSA 2016 RULE

NO HEADING at U11 and Under

NEW 2016 RULE : NO HEADING: U11 AND YOUNGER (PERMITTED FOR U12 AND UP)

Players in U6 thru U11 age groups may not deliberately head the ball in soccer matches

For age groups U11 and younger, whenever the ball strikes a player in the head*, **play is stopped, and the referee is to check on the player before play is restarted!**

If the referee determines that the player deliberately played the ball with his/her head, the proper restart is an indirect free kick (IFK) to the opposing team.

If the play by the head is deemed inadvertent, then the proper restart is a dropped ball (DB) to the team that last touched the ball prior to the heading.

NOTE: Since play is to be immediately stopped regardless of whether the heading was intentional or inadvertent, no goals, corner kicks, goal kicks, or thrown-ins should be awarded.

The only two proper restarts are Indirect Free Kick (IFK) or a Drop Ball (DB)

* If the header occurs within the goal area, the ball is to be moved to the goal area line parallel to goal line for IFK or DB

2024 / 2025 Laws of the Game Changes

Went into effect July 1 2024, but nothing too shocking or surprising:

Law 12 – Fouls and Misconduct

- Clarification that non-deliberate handball offences for which penalties are awarded are to be sanctioned in the same way as fouls which are an attempt to play the ball or a challenge for the ball

Law 14 – The Penalty Kick

- Clarification that part of the ball must touch or overhang the centre of the penalty mark
- Encroachment by players will be penalised only if it has an impact (same philosophy as goalkeeper encroachment)

Sterling Soccer – U6-U10 Reminders

- **U6/U7/U8 – Referee In Training level (simplified game and rules)**
 - 4v4 (possibly 3v3, but not 5v5) - 4 quarters, 10 mins each
 - SAFETY is primary responsibility
 - Game Reporting-is not require

- **U9/U10 – For new younger Certified Referees ages 13, 14, 15 (Full 3-Ref crew used when possible)**
 - 7v7 (possibly 8v8 due to team size) with goalkeepers
 - Uses FIFA Laws of the Game, but with the following Local Laws of Competition modifications:
 - (2) 25 minutes halves w/substitutions during any stoppage with permission of referee
 - No Heading (if it occurs, blow whistle, indicate NOT PERMITTED, and give IFK to opposing team where it occurred)
 - No Direct Kicks, so no Penalty Kicks (for fouls inside Penalty/Goal Areas, use an IFK on Penalty Area line)
 - At a goal difference of 4, losing team may add a player. If difference goes to 5, add another play, but stop there
 - As losing team catches up, they then must remove their added player
 - Offside – yes, but only between Build-Out line and Goal Line as per Build-Out Line rules
 - Ah yes, the 'Build Out Lines' (this is a line halfway between the Goal Line and Halfway line on each end)
 1. When keeper takes possession, opposing team must retreat behind the build-out line, keeper can wait
 2. Keeper must roll, throw, or pass the ball (no punts, but if so, whistle, and bring it back for proper delivery)
 3. When a goal kick is awarded, opposing team must retreat beyond build-out lines, kicker can wait
 4. Please review Build Out Line documents on our Referee / Resources website for add'l information

- **PROTECT THE GOALKEEPERS – they are first timers! Whistle early, avoid player/keeper collisions at all cost!!**
- **DO NOT USE Yellow or Red cards on players this age **unless absolutely necessary**...use verbal warnings/cool offs first**

Sterling Soccer – U11+ (NCSL-Rec)

- New NCSL Rec rules apply, SFL is no longer – but all rules will **LARGELY** be the same
 - Center Referee must be 2 years older than game level (U11+2=13, so min is age 13, U14+2=16, so min is age 16yo, etc)
 - AR can be less than game level, but check with me before doing these games for your first time!!
- **U11 – No Heading!** Blow whistle, award IFK to opposing team at point of header (Heading permitted starting at U12)
- **Game Durations:** U11/U12 (30min half), U13/U14 (35min half), U15+ (40min half)
- **Before the game:** Roster Check only if requested by a coach (check both teams to be fair)
- **After the game:** Confirm both the score and the cards with both coaches after the game, then report score later (more later)
- **U11/U12:** Games are held at Algonkian Elementary on 2 fields (newer Certified ages 14, 15, 16 to start)
- **U13+:** Games held at Hencken Soccer Fields at Potomack Lakes Sportsplex
- **U11-U19:** For newer older Certified Referees (ages 15 and up) and experienced Certified Referees
 - For any game issues, email me with details! Call me if urgent!
 - Report all RED Cards in an email to me please at referee@sterlingsoccerclub.org
 - **See NCSL-Rec Rules and Procedures Document on our website under Spring 2025 Documents on Referee/Resources tab**
 - Know the Play Down Rule – team can play with no more than 2 more players than other team
 - Game Format: U11/U12: 9v9 w/min of 6 players, U13+ : 11v11 w/min of 7 players
 - **Know the NCSL-Rec Substitution Rules: Substitutions are unlimited at any stoppage of play**
 - Mercy Rule is based on 4 goal differential (at any time after 4 goal differential, losing team can terminate match)
 - When a team first goes up by 4 goals, the team winning by 4 goals must remove a player
 - For 5 goal differential, remove another player (for 6 goal differential, remove another player, etc)
 - If team losing scores a goal, winning team can add a removed player back
 - **If team winning goes down to the minimum to play (6 for 9v9, 7 for 11v11), do not take more players off**
 - **IF TEAMS AGREE TO PLAY DESPITE WINNING TEAM AT MINIMUM NUMBER, REGARDLESS OF SCORE, KEEP PLAYING (NO FORFEIT ASSESSED, and either team can request to terminate the match at this point)**

NCSL-Rec Changes for Fall 2024

➤ Pre-Game Roster Checks (not mandatory, but only if requested by Coach)

- The check-in is conducted by the referee using that team's NCSL-REC Team Roster.
 - The players line up by uniform number and each player is validated by stating their name and birth date when the referee calls their uniform number.
1. Player issues include but are not limited to
 - name/birth date provided by the player does not agree with the NCSL-REC Team Roster
 - uniform number worn does not agree with NCSL-REC Team Roster

SINC Sports tool – it's a bit of a 'doozy'!

- Referees use this to Self Assign themselves to games
- Assignor (myself) also uses it to make adjustment, and occasionally assign games
- Spring DB Link:
<https://soccer.sincsports.com/TTContent.aspx?tid=SYSA&tab=1>
- Can also access the website by clicking on the banner area of the emails from SINC Sports
- **I recommend using THE WEBSITE vs phone app AS OFTEN AS POSSIBLE, phone app is clunky**
- Not many edit 'checks' available in the system, so sign up for the 'RIGHT GAME' for you!
 - System allows REFITS to sign up for U19B games, I recommend against this! 😊
 - Choose proper level of game based on my guidance and your experience
 - Half of my job is monitoring self assignments for proper ref-to-game fit
 - I reserve the right to move/cancel you based on a variety of things (too many games, level)
 - If this happens, I'll let you know
- SINC Sports has lots of features we don't use, please don't 'play with them'
- Games are visible 2 weeks in advance ONLY
- SINC automatically sends game reminders a couple days prior to your assignments
- MONITOR YOUR EMAIL PLEASE asking for refs or 'lifting' of game limits so you can take more

Inclement Weather Policy and Process

➤ Sterling Soccer Club's Inclement Weather Policy:

- If things look risky (heavy clouds approaching, warn coaches game might get 'called' due to weather
- Alert your ARs (if you have them) and have them keep an eye to the sky
- At first sign of thunder or lightning, suspend the match, request all to take cover in a hurry
- No returning to fields until 30mins after last thunder or lightning
- Judgement needed on whether to resume match because we can't extend games due to field schedule
- A 'rain shower' or even a brief down-pour ALONE (no lightning/thunder) is NOT sufficient to suspend the match, try to play through it
- But if field conditions deteriorate to dangerous (you see slipping, puddles, etc) and playing conditions have become unsafe for the level of play, confer with Ars, and if in agreement, suspend the match
- Please call me immediately at 703-727-5390 to notify me that this has occurred
- Please send me a followup email (referee@sterlingsoccerclub.org) that this has occurred

Sterling Soccer Ref Payment & Payscale

- Payment: 2 payouts for all refs: mid-season after first 4 weeks, end-of-season after last weekend of games – mailed to the address found on your W9
