Presented By:	Geoff / Danny		
Initial Discussion:	The discussion was introduced with a reminder that the board had held a closed collaboration discussion prior to the meeting, for the purpose of arriving at an approach. 	<p>Geoff then invited the board to present their thoughts to the topic/</p> <p>Mariko spoke first and mentioned her appreciation for both applicants, for their willingness to have a discussions with UAHA and to grow the game in Utah. She appreciated the willingness to open the doors on their business and provide and objective and transparent review of their programs. She believed that the healthy dialogue was instrumental in ensuring a win-win for programs, coaches and the players.</p> <p>There was a call for a motion.</p>			
Motion:	Motion By:	Don	Second By:	Tim
	Motion:	<p><i>“to reject the 2025-2026 application for the Salt Lake Effect, with an encouragement to work with the UAHA board for meeting the requirements of the USA Hockey Annual Guide on non-sanctioned play (e.g., different entity, different jersey and logo, etc.) and an encouragement to apply for the 2026-2027 season, as described in the UAHA P & Ps.”</i></p>		
Discussion(s):	<p>There was no discussion on the motion and a vote was called.</p> <p>With the motion denied, Geoff wanted to ensure it was clear that this “no” vote was more of a not at this time. There is a desire from the UAHA board to work with the SL Effect, to try and figure out how to work together under the requirements of the UAHA P&Ps, along with USA Hockey Annual Guide. UAHA is excited to further a relationship and working to find the hoops to jump through to become a new member organization.</p> <p>Danny mentioned that he wants the dialogue, because this is healthy. He mentioned that they were approach by UAHA and the SL Effect decided to try to align, but if the board really wanted it they would have supported it...but they didn’t. The overall desire is for the board to make a decision, which was done. Danny wasn’t sure where we go from here, because the the SL Effect was clear that they do not need the USA Hockey membership for their mission. The are continuing on and are willing for more discussion, with the focus of the youth athlete in mind.</p> <p>Nathan expressed an appreciation for the board.</p> <p>Geoff reiterated that he looks forward to helping this happen in the future. There is enough common ground to move forward and we will continue to work together.</p> <p>Sara mentioned that the USA guidebook reiterates that athletes, coaches and volunteers (any member) is protected and there is no retaliation permitted against these members.</p> <p>The other point Sara wanted to make was tied to teams playing against non-USA Hockey teams and the board sending out other guidance on allowances for the play. Danny mentioned that 49 other states will play them heads up</p>
