

# SOCCER SCHOOL

**SALVO  
SOCCER  
CLUB**

*Additional programming that provides our players with a variety of original experiences and complements the team training environment.*

## Skills Skilz

To master the game, you must master the ball. Let us help your game move to the next level with your skills on the ball. Skills Skilz will teach you realistic game skills to ensure that you make a positive impact every time that you're on the ball.
