

January Updates

Happy New Year! I hope this finds you all healthy and ready for competition season. A reminder to everyone to please make sure you are aware of all Covid protocols for meets and that you are sharing this information with your athletes and parents. Everyone attending meets is expected to comply with the guidelines set forth by the meet hosts. If you or your families are unwilling to abide by these rules you do not have to attend the meet. We are very fortunate to be able to have meets in our state and we must all work together to do this in the safest ways possible. Remember the goal is to give these kids the season they work so hard for!

Change in Meet Venues

We have had to make some changes in locations for state and regional meets due to Covid restrictions.

Level 6/9/10 State Meet will be hosted by the GA USAG committee at the Buford Arena.

Level 7/8 State Meet will now be held at Tucker Recreation Center

Level 6/7/8 Regionals will be held in Montgomery, AL

This information can be found on the state website. We appreciate these hosts being proactive with making changes to give these athletes the best meets possible.
