

**Letter of Intent – Girls In-House Hockey Director
Hastings Hockey Association Board Position**

Dear Members of the Hastings Hockey Association,

I am writing to formally express my interest in the Girls In-House Director position with the Hastings Hockey Association. I am eager to resume my role in this position and keep contributing my time, experience, and passion for hockey to support the continued growth and success of the girls in-house program.

I have been involved in hockey for 30+ as a player, coach and parent and Hastings Hockey has played an important role in my development and love for the game. My background of playing at the college level has given me a strong understanding of both the on-ice and off-ice needs of young athletes.

Through my involvement over the last few years, I have developed skills that I believe align well with this role, including organization, leadership, collaboration and communication. I have experience working with coaches, parents, and players to create a positive and development-focused environment. I am especially passionate about providing girls with a hockey experience that emphasizes skill development, confidence, teamwork, and enjoyment of the game, while maintaining a strong sense of sportsmanship and inclusion.

I am seeking a Board position because I want to play an active role in shaping the future of girls hockey within Hastings. I care deeply about the long-term sustainability and quality of the in-house program, and I am motivated to help ensure it remains welcoming, well-organized, and focused on development at every level. Serving as Girls In-House Hockey Director would allow me to give back to the association and help create meaningful experiences for players and families.

I am committed, dependable, and willing to dedicate the time necessary to effectively fulfill the responsibilities of this position. I would be honored to work alongside the Board and fellow volunteers to support the mission and values of the Hastings Hockey Association.

Thank you for your time and consideration,
Danielle Durow
