

Spectator Policy – Ghouls and Goals

SPECTATORS

a) Spectators must remain between the spectator-defined areas. Not behind the goals or on the end line of any field.
SIDELINE ONLY

At Robertson Turf Fields: ALL spectators must stay OFF the TURF. This is for players and coaches only. Spectators are only allowed on the bleachers or outside of the fence on the spectator side.

b) Spectators must sit on the opposite side of the field as their team. Both teams' players and coaches will be on the same side.

c) No tents are allowed beyond or inside the technical area line on teams' side. No exposed stakes, ropes, or strings are allowed within 10 yards of the playing fields. The Tournament Directors may require that tents or other items or spectators be moved, at their discretion.

No tents or team flags are allowed on at the Robertson Turf Fields. Team benches are ok at BOTH fields.

d) No firearms or alcoholic beverages allowed at any field.

e) Spectators can cheer, encourage, and support players BUT in absolutely no case can they discourage, distract, or comment on opposing players or teams. If a field marshal or tournament committee member feels the need to give a warning, or ask a spectator to leave, they can do so.

f) If a referee asks a spectator to leave the fields, they must do so immediately. If they do not cooperate, the local authorities will be called.
