3. Head northbound on Harwood Ave, westbound on Hwy 2, northbound Brock Rd, turn into 19 Division, drive the loop, stop if permitted. This route allows the most amount of vehicles to be seen at one time as they will see the cars in the driveway and the cars on Hwy 2
4. Head westbound on Hwy 2, northbound on Valley Farm Rd, drive the loop at Orchard Villa, stop if permitted
5. Head northbound Valley Farm Rd, westbound Finch, **approximately 1<sup>st</sup> half of cars continue westbound on Finch Ave**, stop in front of Fire Hall (wait for other cars), **approximate 2<sup>nd</sup> half of cars head southbound Liverpool Rd, westbound Glenanna Rd, northbound Dixie Rd, eastbound Finch Ave**, stop in front of Fire Hall, Finch Ave has two big shoulders in east and westbound lanes, this will allow us to stop on both sides
6. **Note: At each stop will try to exit vehicles to show our appreciation. When exiting vehicle, it is suggested that families stand in front of the driver/front passenger door. This will ensure we are meeting the 6 feet distance from other PFC families. If we can't we will drive through slowly**
