

# LP Hockey VOLUNTEER COMMITMENTS

The Long Prairie Hockey Association is an organization run by volunteers, including its board members, coordinators, and countless others who volunteer their talents and services daily. Our volunteers are absolutely essential to maintaining and growing the Long Prairie Hockey Association. The LPHA reserves the right to change this policy as needed including the total number of hours needed to satisfy the minimum requirements.

Based upon the number of families, number of games and necessary positions, it has been determined that each family with their oldest player at the Squirt/10U level and above must volunteer a *minimum* of 30 hours each season. Each family with their oldest player at the Mite or Mini Mite level will only be required to volunteer 15 hours.

**Fees for the Squirt/10U level and above:** If the oldest player in the family is at the Squirt/10U level or older there will be a \$410 Online Registration User Fee/Volunteer Hours Fee on your statement when you complete the online registration. \$10 is for the Online Registration User Fee and is due upon check out. **\$400 is a deposit for the Volunteer Hours requirement and will be a deferred payment due April 15th. As long as you meet ALL of the Volunteer Hour requirements, LPHA will cancel the \$400 payment due on April 15th.** **Fees for the Mite and Mini Mite levels:** If the oldest player in the family is at the Mite or Mini Mite there will be a \$210 Online Registration User Fee/Volunteer Hours Fee on your statement when you complete the online registration. \$10 is for the Online Registration User Fee and is due upon check out. **\$200 is a deposit for the Volunteer Hours requirement and will be a deferred payment due April 15th. As long as you meet ALL of the Volunteer Hour requirements, LPHA will cancel the \$200 payment due on April 1st.**

Volunteer schedules will be found on the Dibs tab on our website. To get credit for hours worked you must first claim the hours on Dibs and then you are responsible for recording your hours on the time sheets located inside the concession stand. If you would like more information about what is required of each option for fulfilling volunteer obligations contact your team rep or a board member.

Please keep in mind that when you are asked to help, it is another parent volunteer doing the asking. Please do what you can and if the timing is not right, offer your assistance for another time. We really need everyone's help! We also ask that families are honest with what hours they are recording, the object is not to hurry and "get rid of hours" but to lighten the workload that many have taken on for themselves in the past. We'd like to see everyone doing their part to make this organization a success and ensure that our children enjoy their youth hockey experience!
