“Sportsmanship, Character, Development”

All Illinois FC U9-U19 players will be required to purchase new uniforms for the 2019-2020 season, as this will be the first year of our uniform cycle. Typically, the club keeps the same uniforms for two seasons (2019-2020 and 2020-2021).

This will be our fifth season with our uniform provider:

European Sports

Players will be able to try on uniform sizes and finalize their uniform number during Registration Night. Families will then be able to order uniforms and spiritwear via European Sports online store.

U9 Player Uniform Discount-
