### **Rink Monitors:**

- Need to wear vest to signify position. Pick up vest from check-in table.
- YOU ARE THE ADULT PRESENCE AT YOUR ASSIGNED RINK. If not helping with puck chasing, you should be located near the high school referee and paying attention to the game play to assist with score keeping / penalty calling as necessary. Understand that it is at times difficult for a high school aged kid to call a penalty in an adult game. It is your job to assist with this and make sure rules are enforced. Make sure referee (high school player) knows you are the rink monitor and are there to help.
- Brief yourself on game rules prior to going to your assigned rink.
- Be conscious of time to ensure games start on time. High School players will have stop watches to track game time.
- Make sure your rink has adequate number of pucks and puck chasers. Assist in puck chasing when necessary.
- Assist with any disputes involved in game play.

### **Puck Chasers: MUST WEAR HELMET**

- Make sure rink is supplied with adequate amount of pucks (minimum 4 pucks per rink).
- Chase pucks that go out of bounds and return to either the referee, rink monitor, or toss into game play pending situation. If player is signaling to you for a puck throw the puck to that player.
