President's Report

- New board members will attend the April meeting so they're able to have input for next season's registration. The goal is to have that ready to open by June 1.
- Jen Coast & Miranda said they would be jersey managers
- Sound system at the rink made it hard for audience to hear during the Annual Meeting.
 - Is it time to change venues? Maybe go back to the Fairgrounds?
- Lindsey will compile questions for an end-of-season survey and send to the club for feedback

Notes for Next Season

- Would like to figure out a way to track volunteer time.
 - Sports Engine has this capability and someone would need to manage that piece specifically for it to be effective.
 - Potentially incorporate signing up for volunteer opportunities with registration?
 - Wreaths
 - Gear Check-Out & Return
 - Cage Clean-Out
 - Current Board Member
 - Current Coach
- Jersey & New Logo
 - Would like to do a complete logo re-design and include jerseys as part of registration. Everyone would pay for and get a new jersey each season.
- Do we want to do a pre-season raffle again similar to the ATV raffle a couple of years ago?
