# 2022 Elks Quarterback Club

**Elks Quarterback Club - Founded in the fall of 1958**

## **QB Club Purpose:**

This is a non-profit booster club made up of parents and dedicated individuals who get involved with activities whose sole purpose is to support the football teams at Elk River HS.

The organization assists the coaching staff in raising necessary funds for the program. We sponsor many events for players and parents throughout the course of the season.

**Behind every successful football program is an active booster club!** Many hands make light work = Football Parent Volunteers.

All parents are encouraged to attend these meetings and get involved in helping make your child's football experience a great one for the 2021 season. **Parents from all grade levels are needed.**
