**MYAS Tournament:** Volunteer Schedule April 27 and 28 for MYAS will be sent out last week of season. Tonya State and Jenny Tauer will coordinate volunteer schedule. Dale will work with Michelle to purchase food. Staleys out of town so will need someone to coordinate money and trouble-shooting while the tournament is on.

*Notes from May 2018 minutes: MYAS Tournament Suggestion that kids should not be at admissions. Or have 1 adult and 1 child. For next year, what will it cost to rent Hope Fieldhouse for MYAS, can we do concessions, and will MYAS give us more teams if we have an additional facility? We could perhaps share the event/concessions with another RHS team. Or perhaps get rid of SHMS and just use 2 facilities. Lots of options. Concessions you get less profit, admissions brings in more profit. Concessions is way more work, could outsource to another team. Will have to submit proposals with facility use by late summer/early fall to MYAS. Suggested we propose for all 3 facilities and then cut back if we need.*

**Other**

- Banquet is April 7<sup>th</sup> at Old Chicago
- Coach looking to schedule a boys and girls double-header (same team, same night). Talking with Manning about this.
- Dale will order 5 additional photo cards per athlete.
- Cage is a disaster. Need help organizing after season? Raelynn and Julie Whalen volunteered to help organize this after season

**Next meeting:**

February 24<sup>th</sup> 6:30 at Fireside

Motion to close the meeting Michelle Staley, seconded Pat Staley 7:13 p.m.
