

Hudson Area Lacrosse Association Board Meeting

Meeting called to order by Roger Heath at 6:38pm at Seasons in North Hudson. Present: Roger Heath, Branden McDonald, Rachel Stuart, Judd Genereaux, Jake Johnson, Tori Boomsma, Beth Nuutinen, Dave Getschel, Renee Schultz, Mike Stuart, Nick Barum, Stephen Manor, Julie Sansome

Coaching Coordinator Position:

The vote for the Coaching Coordinator Position took place. Branden McDonald was voted in to finish Brandon Larson's term as Coaching Coordinator and then continue with the position for the 2 year obligation.

Spirit Wear:

Spirit Wear will be year round and online. Working on which clothing we want to keep on line.

High School Recap:

There was discussion on how things went last year with the HS program (9/10, JV, V and Girls). The girls will have a new head coach next year. The Y is going to have a starter program for boys and girls. We will try to get more games for Youth. Too many players made V and JV – Stephen would like to see only 24 on each team.

Fundraising:

We did pretty well with fundraising. With that said, the High School Boys just have to do better next year. It will be an expectation.

Refund:

Roger made a motion and Nick seconded that we give a total refund to a youth player who was injured the second week of practice. This also brought up discussion on what to put in writing about when a refund will be given in the future.

2019 HS Tryouts:

Tryouts will start on March 4. No practice will happen during the week of spring break. The first HS game will be on April 6.
