

FIELDS DIRECTOR

- Meet with other SA Boosters sports programs to come up with an overall field maintenance program.
- Monitor football fields and work with City to coordinate needed improvements to maintain safe playing conditions.
- Partner with the City to ensure field light time limits are appropriate.
- Coordinate field usage with summer and fall soccer commissioners.
- Determine any field reservation conflicts once team draft schedules are released. If conflicts arise, work with Flag & Helmet Directors to resolve in a timely manner.
- Partner with High School Football Coach and Director to verify permissions for 7th & 8th grade team's use of the high school varsity field for home games.
- Responsible for field reservations for the season, communication through Community Services to book said reservations.
- Develop schedule of dates/times that each team is practicing/playing games on St. Anthony fields (C2, C3, High School Varsity field, and High School Varsity practice field). Schedule should be distributed to President and Secretary for posting on Boosters Football website.
- Coordinate the chalking of fields.
- Communicate any weather-related field closures in a timely manner to President.
- Communicate with Flag & Helmet Directors about field lighting schedules, and ensure coaches have keys to turn on the lights (in seasonal storage area lockbox).
- Coordinate with President, Flag Football Director and Helmet Football Director to ensure they have information for remote field lighting application.
- Ensure that fields are set up and torn down for football games at Central Park and the High School Varsity field. The Fields Director will create a shared signup with the assistance of the President so parents can volunteer for these duties. This signup will be shared with the Flag & Helmet Directors.
