2023 - 2024 Season will begin in mid-late October and run through February (or March/April for older grades.)

Participation

Positively Hoops is a competitive youth basketball organization for players in third through eighth grade that works to build basketball skills through practices, trainings, and games to develop basketball players prepared to compete in high school.

PH players must attend schools that feed into Beaver Dam High School through residency in the Beaver Dam Unified School District. Beaver Dam Middle School PH players are required to also play on the school's basketball teams in 7th and 8th grade.

Each team will practice 1-2 times per week in BDUSD gyms, with practices ranging from 60-90 minutes each.

Tournaments

Tournament schedules are established by each team's coach and typically consist of about 6 tournaments at younger levels and up to 10 tournaments at older levels. Most are one-day tournaments hosted by other school programs. Teams most often play within a 60 minute radius of Beaver Dam (ex. Dells, Milwaukee suburbs, Fox Valley, etc.). End-of-season State Tournaments are hosted throughout the state and are often multi-day weekend events.

At many tournaments, both teams are expected to have a parent operate either the game scoreboard or keep the official scorebook. It is helpful for those that are comfortable with these responsibilities to rotate this responsibility so that parents are able to enjoy watching their child play.

Positively Hoops players, coaches, and families are expected to positively represent Beaver Dam on and off the court treating tournament hosts, officials, players, coaches, and fans with respect and adhering to all event guidelines and expectations.

BDPH players get free admission to BOTH DAYS of our PH Home Tournaments, so the boys and girls can come and support each other!
