

CEVA CLUB DIRECTORS' UPDATES – 11/3/2022

Reminders for tryouts:

- Tryouts this week are for players 14 and under – see the [age definitions here](#). Players you plan to age waiver must still try out with their defined (non-waivered) age group.
- If a player shows up without a membership, [use this link to purchase a tryout membership](#) on site. We highly recommend having a laptop or iPad available to assist with this process. ***It will be much easier for players to purchase a membership prior to tryouts rather than on-site – please spread this message among those who may be coming to your tryouts.***
- All adults participating in tryouts or interacting with juniors must have a membership, background screen, and Safesport. If you aren't sure about your coaches' eligibility, [e-mail us](#). Remember – CEVA cannot expedite a background screen (a failure to plan does not constitute an emergency for our staff).
- On Saturday, 11/5, at 12:00 PM, we will send you an updated list of all junior members in CEVA. This is meant to aid you in checking eligibility of players when they come to tryouts. Ask players to show proof of current membership when they arrive at your facility.
- Our staff is available over the weekend to respond to pressing, urgent needs. Please call (503) 894-6455. This phone number is to be used only by club directors or administrators and should not be given to parents or players. Do not contact us on our personal phones.
