## Executive Director's Report

Best wishes to all of you for a healthy and happy New Year. I hope that each of you has had an opportunity to enjoy well-deserved rest while celebrating Christmas by spending time with family and friends. The SHSAA office staff has recharged and is looking forward to the next adventures of school sport that await us in 2019. As always there will be much to plan, celebrate, and enjoy through the winter and spring activities. Educational athletics will continue to be the most affordable and accessible means to develop citizenship skills in our students.

Once again, our fall activities provided some outstanding displays of athleticism, teamwork, and sportsmanship. The championships allowed student athletes to celebrate their accomplishments in addition to allowing SHSAA the opportunity to share school sport with the entire province. Our championships are like the tip of the iceberg; the part that everyone sees and focuses on, but we need to ensure that everyone knows that there is much more to educational athletics and that base provides the true value and benefits of school sport. The base is that part that takes place day after day, weekend after weekend, during a school sport season where volunteers dedicate time to student athletes providing extended educational opportunities by engaging them in healthy athletic activities in a safe environment.

- In 2011, we worried about making sure the student athletes at provincial golf were being provided with proper hydration when temperatures soared into the 30's in late September. This year, we spent time considering how to ensure the championship could go ahead despite the expected weather (snow) that was likely to occur and, occur it did. Not ideal conditions but memories that will not soon be forgotten.
- Delisle was host to the provincial Cross Country championship for the second time in three years. The 2018 version was a very efficient meet with 565 dedicated athletes crossing the finish line. During the bitterly cold day, Delisle Composite High School opened their doors to the province. Principal Schlosser and his staff were highly impressed with the conduct and respect shown by the hundreds of athletes and fans that accessed the school throughout the day to seek shelter from the elements.
- SaskTel Max was on hand at the 3A Girls Soccer championship in Prince Albert to provide coverage of the gold medal game. In addition, provincial soccer, hosted the last weekend of October, coincided with the start of the National Poppy Campaign. The Royal Canadian Legion, Saskatchewan Command provided upwards of 8,000 poppy stickers to student athletes participating at these and other SHSAA playoffs that were contested through the November 11 weekend. Legion members were provided with free admission to SHSAA events during the November 11 weekend.
- Once again weather was not our friend during the football playoffs, but as usual communities did everything in their power to get facilities ready for the contest. One report of particular interest was from the officiating crew that was present for the Charlebois Islanders (Cumberland House) playing host to the Hague Panthers. Here is an excerpt of the email...*"Saturday morning Brent and his team woke to find about 4 inches of wet, heavy snow covering everything. They worked all morning clearing the field while it continued to snow. After they'd cleared it once they had to go over it again at noon. The field was lined again and by game time at 2:30pm we had a field to play on, muddy in spots. It continued to snow during the game. The conditions were very tough for both teams... the coaches and players of both teams played a game which would be a perfect example of what the SHSAA strives for in each of their competitions. Throughout a wet, muddy game they played a solid, hard-hitting brand of Saskatchewan football. The only penalties were offsides and the odd hold. Players from each team would hit each other hard and when the whistle blew would help the other person up, congratulate each other and head back to their huddles."* Congratulations to Coach Tunstall and Coach Kirby on having their programs and student athletes recognized in this fashion by the game officials.
- The SHSAA Volleyball championships demonstrated some tremendous parity across the classifications and I was fortunate enough to be able to visit the championships hosted by Carrot River (3A Girls) and Melville (4A Boys). These two championships provided outstanding competition, and both were wonderful examples of host sites providing an excellent championship experience. I heard many similar

# **SASKATCHEWAN HIGH SCHOOLS ATHLETIC ASSOCIATION**

reports from others attending championships and playoffs around the province. Hats off to all our playoff host sites.

We look forward to our winter and spring activities. The provincial curling championships, presented by Sask Milk, will be hosted in Humboldt (boys) and Nipawin (Girls and Mixed). Sask Milk has continued to provide generous sponsorship to SHSAA and in return they are being recognized as the presenting sponsor of the SHSAA curling playoff season. Wrestling returns to Regina where RHSAA will be using Campbell Collegiate as the host site. SSSAD is anxiously awaiting mid-March when they host HOOPLA 2019 at St. Joseph, Centennial, Evan Hardy, and Walter Murray. For the spring activities we head south as we go to Swift Current for Badminton on May 11 before concluding the championship calendar with Track & Field on June 7-8 at Gutheridge Field in Moose Jaw. Check the SHSAA Website for the most up to date information.

The final activity in the calendar will be the SHSAA AGM in North Battleford from June 19-21, 2019. The host committee from the North West District and the SHSAA Executive Council are busily preparing for the meetings and activities associated with the event. More information will be made available to each district in April.

## **Executive and District Presidents' Meetings**

The annual gathering of District Presidents, Officials' Commissioners, and Athletic Commissioners occurred at the beginning of December. District Presidents and Athletic Commissioners discussed a number of topics and dealt with business arising from the Executive Meeting. Host sites for 2019-20 that were not named at the AGM were finalized for a number of championships as follows:

- Regional Badminton – Series A – West Central – TBA
- Regional Badminton – Series B – Qu' Appelle Valley – NOTRE DAME
- Regional Badminton – Series C – Horizon Central – TBA
- Regional Curling – Series A – West Central – TBA
- Regional Curling – Series B – Qu' Appelle Valley – TBA
- Regional Curling – Series C – Horizon Central – TBA
- Regional Curling – Series D – Battle West – TBA
- 2A Boys Soccer – MOOSE JAW
- 1A Girls Volleyball – MUENSTER
- 2A Girls Volleyball – FOAM LAKE
- 3A Girls Volleyball – ASSINIBOIA
- 4A Girls Volleyball – FORT QU' APPELLE
- 5A Girls Volleyball – WEYBURN
- 1A Boys Volleyball – GLASLYN
- 3A Boys Volleyball – TISDALE

The District Officials' Commissioners did their annual review of fall activities and preparation for the upcoming winter and spring activities. Included in the discussion was the partnership developed between SHSAA and SABO introducing a new 'referee coach' program being unveiled by Canadian Association of Basketball Officials. Each district is being asked to sponsor potential candidates for this mentoring program in order to increase the capacity and competency of basketball officials in Saskatchewan.

The final activity for the meeting delegates was to review the work done by the Executive Council concerning strategic planning and review of guiding principles for provincial championships. The Executive have begun the process of defining the vision and mission for SHSAA and establishing the values that will guide the decision-making process of the current and future Executive Councils. The review of the guiding principles revealed that four of the existing statements in the guiding principles for provincial championships are, in reality, values of the Association. Look for more from the Executive over the coming months and a presentation at the June 2019 AGM in North Battleford.

## Sport Advisory Groups

Earlier in the fall, the Executive Council finalized their committee members for the 2018-19 Sport Advisory Groups. Executive members will report at each Executive meeting on the work being done by the Sport Advisory Group that they chair. The Sport Advisory Groups are yet another lens for the Association activities to be studied. Discussions amongst the groups will provide insight for the Executive Council to consider in their planning for SHSAA. Thank you to those individuals who have volunteered their time to be part of the groups. Applications for the 2019-20 Sport Advisory Groups will be advertised in late May. If you are interested, please check out the quick link for the application form on the SHSAA homepage ([www.shsaa.ca](http://www.shsaa.ca))

## CIAAA National Conference

Based on the momentum of hosting the CIAAA National Athletic Directors Conference in Regina in April 2018, the Executive Council established an ad-hoc committee to assist the SHSAA office in overseeing and promoting the CIAAA. Thank you to Roger Morgan (Kincaid), Margie Gibson (Moosomin), Ryan Trumbley (St. Brieux), Sandra Surkan (Regina), Troy Snider (Kerrobert), and Nathan Noble (Meath Park) for volunteering to be part of this committee.

CIAAA Executive Director, Drew Hanson, will work closely with the group to coordinate professional development opportunities for athletic directors in Saskatchewan. One athletic director from each high school in Saskatchewan is provided with a membership in CIAAA. You should be receiving emails from Drew keeping you up to date on upcoming course offerings and conferences. Later in this school year the launch of the Athletic Directors' Resource Bank will take place. The resource bank will provide a variety of tools and useful information for athletic directors. It is hoped that the resource bank will continue to grow as new ideas and tools are added from the grassroot members of the organization.

Upcoming course offerings include:

- January 28-29, 2019 (Webinar Series: 4:00pm – 6:00pm each day)
  - 504 C: Legal Issues I – The Basics of Negligence, Liability, & Risk Management
- February 1-2, 2019 (Saskatoon Hilton Garden Inn)
  - 2019 Leadership Training Institute
- April 25-27, 2019 (Canmore, Alberta)
  - 4<sup>th</sup> Annual National Athletic Directors Conference

## 2019 REGIONAL & PROVINCIAL CURLING

Each provincial championship will consist of eight teams scheduled as two pools of four teams in round-robin play format. The top two teams from each pool shall advance to the championship bracket. The eight teams participating at the provincial championships will include the host school and seven other teams that have qualified through the regional championships.

The tie-breaking criteria to determine placement in pool play and placement into tie-breaker games shall utilize the Skill Based Team Ranking System (SBTRS). For more information on the tie-breaker and the Saturday schedule of games please refer to the curling activity page of the SHSAA website <http://www.shsaa.ca/page/show/992559-curling>

Regional championships will be held March 1 - 2, 2019. The Regional championships will consist of a six or eight team double knock-out format leading to an 'A' event and 'B' event qualifier to the provincial championship. The only region that may require an A-B playoff to complete the double knock-out competition is the provincial host region. The A-B playoff will only be contested if the provincial host has not won either the 'A' or 'B' event. In the regions without an A-B playoff the 'A' event winner will be considered the Regional champion.

Districts should declare their representatives to the Regional Championships and contact the regional commissioners and SHSAA office by Tuesday, February 26, 2019.

Regional commissioners are asked to contact both the SHSAA office and provincial commissioner by Sunday, March 3, 2019 with the names of the schools and team members which have advanced to the provincial championship.

The SHSAA annual Coaches Symposium will be held Tuesday, August 20 & Wednesday, August 21, 2019 at Campbell Collegiate in Regina. The Symposium is an excellent opportunity for coaches of different activities to gather in one location to participate in a professional development opportunity that will enhance the extra-curricular experience of the student-athletes around the province. Each of the fourteen SHSAA districts is offering incentives to support coaches who want to attend, please contact your District Executive. This opportunity is available to all coaches including non-faculty / community coaches.

This is the nineteenth consecutive year of the Symposium. This year's symposium will provide entry-level sessions as well as advanced sessions in a variety of activities that are a part of the SHSAA programming. The registration fee will be \$150.00 if registered prior to June 30th and \$175.00 for those who register after this date. Pamphlets and registration forms will be distributed to schools in the spring as well as being available on the SHSAA website.

The symposium will offer pre-conference sessions on Tuesday. These optional offerings occasionally have additional costs attached and some may be taken separate from the regular symposium registration. Please contact the SHSAA office if you are interested in these sessions.

The Symposium Committee is actively planning the sessions and inviting presenters to participate. If you have someone in mind that you would like to hear give a presentation, take the time to forward the name to the SHSAA office or an executive member.
