

September 2020 NEWSLETTER

WGBA families, We are getting excited for the start of our season! With the season fast approaching we are gearing up for what is to be a very interesting basketball year. Although challenging, we feel like our Board has laid out a plan to be able to execute the season and handle any hurdles that may be thrown at us during this crazy year. The Community Education department has opened gym space, and so we are moving forward with our full slate of Recreation and Travel basketball. We have created a task force within our Board that will be handling any and all COVID-related items from the Preparedness Plan to handling contact tracing and communication. Our registration numbers are down but still very strong, and we are looking forward to a great season. I want to implore the importance of following the COVID protocol laid out in the Preparedness Plan whether you are a parent, coach, or player. We will all have a much better chance of having a full season if we closely follow our plan and look out for one another. Make sure you go to www.wgba.net and register today, if you have further questions regarding the season, our plan, or our different offerings please reach out. Thanks, Chad Greenway chadwgba@gmail.com

COVID PREPAREDNESS PLAN

WGBA is committed to providing a safe and healthy environment for all our athletes, coaches, families, visitors, and volunteers. To ensure we have a safe and healthy program, WGBA has developed a COVID Preparedness Plan in response to the COVID-19 pandemic. Coaches, parents, players, and volunteers are all responsible for implementing this plan. Our goal is to mitigate the potential for transmission of COVID-19 in our programs and communities, and that requires full cooperation. Only through this cooperative effort can we establish and maintain the safety and health of all persons in our program. Please visit www.wgba.net and click on the "Policies" tab at the top to review the full plan.

HOME WORKOUTS

Grab your basketball and work some big muscle groups as we get ready for the season. Do each exercise for 45 seconds and repeat 3 times.

WGBA TRAVEL/REC REFUND POLICY

Registration is now open for TRAVEL and REC leagues. With so many unknowns going into our season we want to be clear regarding our refund policy for the 2020-2021 season. If the season is canceled before it starts we will offer a full refund, the only exception being 4th-grade travel uniform cost. If the season is shortened, we will offer a pro-rated refund based on the amount of season that is lost due to COVID-19.
