Chapter 1 Introduction

1.1 Welcome to the 2019 OVA Beach Tour

Welcome to the 2019 OVA Beach Tour! We would like to welcome back returning athletes and parents and introduce the Ontario Beach Program to new members. It's great to have you all participating in one of the most successful beach programs in North America. In 2018, we had 484 teams participating in Ontario Championships at Toronto's Ashbridges Bay for four days of intense competitions. Since 2010, the tour has increased in size by almost 20% and we look forward to more growth and greater opportunities for all athletes in the 2019 season.

This year we are making improvements and providing more opportunities for athletes to enter the sport, succeed and develop their beach volleyball skills. Not only have we added numerous youth Beach Tour events across the province, but satellite events are in full force. The 2019 season will see a new point system for Beach Tour events as well as a point system specifically for Ontario Championships. The OVA will also be implementing an extreme heat policy, so be sure to read up on that.

The OVA Beach Player's Handbook is designed to provide essential information necessary for you to prepare yourself for the 2019 beach season. If at any time you have any additional questions, please do not hesitate to contact us.

1.2 What's new in 2019?

For a complete list of what's new in the 2019 season, please see our [What's New?!](#) document on our website.

Please be sure to also visit our [YouTube video](#) which is a step by step guide on how to register for 2019 OVA Beach Tour events and what to expect at all beach tournaments this summer.

For any additional questions regarding the OVA Beach Tour in 2019, please email Kelvin Cheng:
kcheng@ontariovolleyball.org.

Chapter 2 Technical Organization

2.2 Costs and Fees

Athletes **must** purchase a Beach Player membership prior to participation in their first OVA Beach Tour event of the 2019 season. All fees must be paid online at <http://www.nrs.volleyball.ca> and all players must complete an OVA Release of Liability – Waiver of Claims – Informed Consent & Assumption of Risk Form. Please visit our website [here](#) for the waiver.

Beach Competitive Membership Fee:

- A one-time only fee of \$82.11 (VC membership fee and tax included).
- Current indoor OVA members will be able to upgrade their current indoor membership to a Beach Competitive Membership at no cost.
- This membership allows athletes to be eligible for all OVA Beach Tour Events, including Grand Slams, Ontario Championships, and Volleyball Canada National Championships.

Beach Recreational Membership Fee:

- A one-time only fee of \$10.91 (tax included).
- This membership is intended for athletes who are not indoor members of the OVA but want to play in OVA Beach Tour or Satellite events.
- This membership level will not be eligible for Grand Slams, Ontario Championships, or Volleyball Canada Nationals.

OVA Regular Tournament Fee:

- \$92.00 (plus HST) per team/event in the Youth and Adult/Open divisions.
- NOTE:** Satellite team fees are adjusted by satellite host.

Ontario Championship & Grand Slam Fees:

- 1-day event (12UG, 13UB, Adult Open) - \$100.00 (plus HST) per team
- 2-day event (13UG, 14U-18U, Youth Open) - \$140.00 (plus HST) per team
- 2-day event (Adult Elite) - \$150.00 (plus HST) per team

2.3 Registration

2.3.1 How to register

Teams may register for all tournaments via the secure National Registration System (NRS) online registration system. Please go to <http://nrs.volleyball.ca> to register.

For a tutorial on how to register for a beach event, please refer to this [YouTube video](#).

If you need help logging into your account or are having registration difficulties, please contact Chery Bennett, Membership Service Coordinator at cbennett@ontariovolleyball.org or 416-426-7132.

2.3.2 Registering for Elite

Teams who wish to take part in the Elite divisions, should select the box indicating Elite qualifier. If the teams who registered in the Elite Qualifier have enough points for the Elite main draw, they will not be required to play in the qualifier and will be seeded accordingly.

All registrants in the Adult Open divisions will be seeded according to points in divisions AA-A5 (FYI – this may seed you in an unexpected division). **If you would like to play Elite, register in the *Elite Qualifier*.** The OVA website will indicate if there is a qualifier prior to the tournament.

Elite Exemption

If you do not want to play in Elite regardless of your points average, please contact Kelvin Cheng before the deadline closes at kcheng@ontariovolleyball.org

2.3.3 Free Entries

Teams who finish first in any Adult Elite tournament are eligible for a free tournament.

Conditions:

- The free entry must be used in the same season
- You **must** play with the same partner in the free entry event
- The free entry is not exchangeable for cash value
- The free entry is not transferable (to another player)
- There is NO Free Entry into the OVA Grand Slam(s) or Ontario Championships.

To redeem your free entry, send an email (before the registration deadline) to kcheng@ontariovolleyball.org including:

1. Full names of both teammates
2. Division of tournament where team finished first
3. Date of tournament where team finished first
4. Date of tournament to enter

2.3.4 Deadline

Registration deadline is the **Monday (by 4:00 PM) prior to the weekend's event**, unless noted otherwise. A late fee of \$20/team for both beach tour and satellite events will be added to the registration fee on NRS once the deadline has passed. OVA reserves the right to accept teams after the deadline if it makes it a better tournament draws and/or refuse late entry to teams if it makes it a worse tournament draw.

2.3.5 Respect In Sport (RIS)

One parent or guardian of an athlete must complete the mandatory online Respect in Sport Course. This course empowers people to recognize and prevent abuse, bullying and harassment through interactive, online certification. The parent course is transferable between sports (I.e. if completed for Ontario Soccer Association, the parent can record that number in their OVA Respect in Sport profile at: <https://ontvolleyballparent.respectgroupinc.com/start.jsp>).

If the parent/guardian has completed the RIS modules for the indoor season, they do not need to re-take the module. An individual certification number will be issued per person and tracked and verified by the OVA prior to Ontario

Championships. The \$12 cost of the course is the responsibility of the parent or guardian. Only one certificate number is required per house hold (i.e. if multiple siblings play with in the OVA the course only needs to be completed once).

Parents will be required to complete the modules by May 17, 2019. If you require an extension, please contact Suzanne Wallace at swallace@ontariovolleyball.org. If certificate numbers are not on file for an athlete, they will not be allowed to play at Ontario Championships 2019.

2.4 Beach Teams/Partners

Throughout the regular season, you may change partners as often as you wish, provided registration is completed prior to the Monday (4:00PM) deadline.

If a partner change is required *after* registration has closed, you must submit a written request to the OVA via email to kcheng@ontariovolleyball.org providing the following information **by** Thursday (11:59AM) before the tournament (NOTE: the new partner **must** be a current OVA member):

- **Original** team's full names
- Division of **original** team
- **New** team's full names
- Division of **new** team
- Updated seeding points with new partner will be applied

After Thursday (11:59am) until the beginning of the tournament, if a partner change is required or if a team arrives at the tournament with a different partner, a doctor's note for the player that was substituted out must be received the following week in order to count the "new" teams points and results from the event. Also, the "new" team will be seeded with no points (last) in their division.

Looking for a beach partner? Visit our website [here](#).

2.5 Team Check-in and Players Meeting

2.5.1 Check-in

Team check-in takes place between 8:30 a.m. and 9:00 a.m. Both partners **must** check-in together. If you AND your partner have not checked in by **9:00 a.m. SHARP**, you and your partner will be removed from the tournament.

Please give yourself ample time to arrive early. It is the players' responsibility to check directions and road closures prior to the event, as there is NO excuse for lateness.

Exception: Elite teams must arrive for their first match or for their officiating duties. Elite teams do not need to check-in.

2.5.2 Players Meeting

The Players Meeting begins at 9:00 a.m. when check-in has closed. It is at this meeting where the Tournament Director will debrief the participants with the day's schedule and any new or relevant information. Please see Appendix II for typical Players Meeting Notes. However, please be advised that it is the responsibility of all athletes to listen for any new and relevant information on the day of the event.

It is the responsibility of all athletes to listen to what is said and to question anything that is not understood. Sanctions can be levied to teams who do not follow the format and the basic rules of the tournament. It is the athlete's responsibility to make sure they understand what is presented at the player's meeting.

2.5.3 No-show or Forfeit

Teams are expected to begin their match 10 minutes after the completion of the previous match. If a team fails to show up within 10 minutes after the completion of the previous match, their first set will automatically be forfeited. After a subsequent 10 minutes the entire match will be forfeited.

NOTE: the eliminated team still has a responsibility to referee a match. If the team is not present for their duties, they will consequently be sanctioned \$100.00, payable prior to registration in the next OVA event. If a sanction has not been paid, team members are ineligible to register in an OVA event and are placed as members in bad standing until the fine is paid.

2.6 Medical Services

Throughout the 2019 Beach Tour, an athletic therapist will be on-site at every tournament. The OVA will supply a Sports First Aid Kit as well as ice for injuries. The Athletic Therapist can be found at the control tent or contact an OVA Beach Crew member to call the therapist over to a court.

If an athlete becomes injured or ill during the tournament and as a result cannot continue to compete, no refund will be issued. Points will be awarded up to the point of withdrawal from the tournament. If the injury or illness occurs before the tournament you may be eligible for a refund of the tournament fee, please see the *section 3.8* regarding refunds for further details.

For the Adult and Youth Open divisions only, athletes will only be allowed 1 medical timeout per day. If any athlete requires more than 1 medical per day, they will forfeit all their matches for the rest of the day.

2.7 Referees

2.7.1 Player Referees

All teams will be required to score and officiate matches in their pool. A schedule is handed out for pool play detailing when you play and when you are expected to officiate. During playoffs, teams are assigned scoring/officiating duties in the first round of playoff matches and **must score one match after they have been eliminated**. Failure to complete officiating duties will result in a \$100.00 sanction from Ontario Volleyball and must be paid before registering in the next OVA event or players will be ineligible to participate in future events. A detailed guide on player officiating for athletes can be found in Appendix I.

2.7.2 Role and Responsibilities of the Player Referees

Player referees are extremely important to the operation of the OVA Beach Tour events. As a player referee, it is your duty and responsibility to officiate matches. You represent officials when acting as a player referee and you have the same role and responsibility as certified officials.

The following are important aspects of your responsibilities which must be enforced:

- The officiating person **MUST** be standing, the scorekeeper may sit on the opposite side of the court
- **NO** umbrellas are allowed in-between courts
- **ONLY** the scorekeeper and player referees are allowed between courts. **NO** family, friends, spectators, other athletes etc. are permitted to sit/stand with scorekeeper or referee.

2.7.3 Certified Referees

There will be OVA referees on site who will answer any questions and address any concern the players may have about rules, regulations, etc. They will supervise the beach for pool play matches and will attempt to officiate all gold medal matches.

Referees may also monitor warm-up times and are instructed to start matches after 10 minutes of warm-up. Failure to limit warm-ups to 10 minutes will result in a \$100.00 sanction from Ontario Volleyball to players and teams and must be paid before registering in the next OVA event.

2.8 Coaching

The OVA Beach Tour defines coaching as advice, instruction, or external assistance of any kind to a team/player.

Coaching during match play is NOT allowed in the Youth Open and Adult Divisions.

Coaching during match play is ONLY permitted in 12U – 16U (all Divisions) and 18U (Championship, Challenger, and Trillium Divisions only). All coaches must be OVA members in good standing and add the Beach Coach role to their NRS account. All beach coaches must also have current screening records (police vulnerable sector screening and the screening disclosure form). All documents must be submitted to Kelvin (kcheng@ontariovolleyball.org).

Coaches must first identify themselves at the main control tent at the start of the day. Each coach will be given a badge to identify them as a coach during the tournament day. The badge is returned at the end of the day. Coaches must identify themselves to all parties participating in the match including the opposing team, the player referees and the OVA referee supervisor in the area **before the match begins**. The coach's name must be included on the match score sheet.

The coach must abide by the following set of rules:

1. Coaches CANNOT call time-outs for their athletes nor coach them to do so.
2. Coaches may only coach their athletes before the match begins, during time outs (including technical timeout) and between sets.
3. Coaches may NOT coach on side switches.
4. Coaches may NOT be on the court during the 10-minute warm-up period (this includes shagging balls for athletes)

Examples of Coaching Infractions

- The team/player receives coaching during or between a rally
- The coach gives signals during the match.
- The coach signals to their team/player to call a time out

Parents, family, friends and spectators can cheer during matches. While cheering, no advice, instruction, or external assistance may be given to the team/players. Parents cannot be on the court of play during the 10-minute warm-up time.

If a coach, parent, family member, friend or spectator associated with a team is breaking the OVA Coaching rules, the following sanction process will be enforced.

Process for coaching infractions:

1. Verbal warning is given by OVA Referee, Tournament Director or OVA representative. This warning is recorded at the control tent.
2. If illegal coaching continues, the coach is removed from the court where their team is playing for that match.

3. If illegal coaching continues, the coach is fined \$200 and removed from the tournament and suspended for the next tournament. The fine must be paid before the coach participates at their next tournament (including satellites).

This stepped sanction process will apply within events and will also carry on throughout the season. All sanctions will be tracked to the coach for the entire 2019 Season.

Chapter 3 Competition Regulations

3.1 Ontario Beach Championships Eligibility

- To be eligible to compete in a **single age division** in the 2019 Ontario Beach Championships, each partner must participate in a minimum of 3 events, 2 of which must be Tour events in the age group they wish to participate in at Ontario Championships. The remaining tournament may be an OVA sanctioned satellite event or an OVA Beach Tour event and/or at a different age group.

NOTE: Ontario Championships does NOT count as an event played towards qualifying.

Exceptions:

1. Indoor Provincial Team – must play in at least 1 OVA Beach Tour event.
2. Beach Provincial Team – must play in the minimum required tournaments as stated or played in other provincial team approved tournaments (proof required).
3. National Team athletes – must play in at least 1 OVA Beach Tour event.
4. Girls 12U & Boys 13U – must compete in 2 events (minimum 1 OVA Beach Tour event)
5. Region 1 athletes – there are NO provincial eligibility requirements.
6. Exceptional circumstances – Must present case to OVA Beach Ad Hoc Committee by **Monday July 22, 2019**. Exemptions need to be emailed to Kelvin Cheng (kcheng@ontariovolleyball.org) stating why the athlete/team couldn't fulfill the required number of tournament and explain why the athlete/team should be accepted into Ontario Championships. **Exemption requests for 16U or higher must be submitted directly by the athlete (not the parent).**

NOTE: a medical note does not count as participation in an event. If participation is not possible due to illness or injury, the case needs to be presented to the OVA Beach Ad Hoc Committee no later than Monday July 22, 2019.

If the Beach Ad Hoc Committee grants an exception for entry into Ontario Beach Championships without the minimum criteria, the team may pay the penalty fee of up to \$150.00 to the OVA before participation in the Ontario Championships. Exception decisions are non-appealable and exception fees are non-refundable.

3.2 National Eligibility

To be eligible for the 2019 National Beach Championships, each player must participate in the 2019 Ontario Beach Championships. If an athlete/team is unable to participate in Ontario Championships, please contact Volleyball Canada directly for the possible exemption process.

Draws & Schedules – Guidelines

Ontario Volleyball has developed a set of guidelines for use when creating draws and schedules. A minimum of four (4) teams per age division is required to run that age division.

A number of variables may affect how tournament draws and schedules are created impacting our ability to adhere to some of these guidelines. As often as possible:

- teams will play a minimum of three matches per day*
- teams will play a maximum of six matches per day*
- teams of similar ability will compete against one another
- the outcome of a match will impact the team's final placement
- re-pools and playoffs will avoid re-matches
- higher seeded teams will receive more rest between playoff matches
- matches between closer seeded teams will be scheduled for the end of pool play

** Excluding extenuating circumstances such as team injury or defaults. Teams are not granted refunds for these cases.*

NOTE: Final decisions regarding tiers and pools in all divisions are made at the discretion of the OVA Beach Tournament Director and may change without notice.

Adult Division – Playoffs Format

To deliver more meaningful matches in our adult division, a new playoff format will be introduced. The format will be dependent on the number of teams in the tournament and can be found on our [website here](#).

3.3.1 Protest Protocol During a Match

The 2019 OVA Beach Tour Match Protest Procedures are similar to Volleyball Canada's Procedures. The protest should be settled immediately by the Head Official.

Any player may ONLY legally protest AN ERROR IN APPLYING A RULE OR RULE INTERPRETATION.

THE REFEREE'S DECISIONS REGARDING BALLHANDLING FAULTS ARE NOT OPEN TO PROTEST.

- In order to lodge a protest, the protesting player must pay \$100 upfront to the Tournament Director. If the player refuses to do this, the protest will not be lodged. If the protest is won, the \$100 will be returned. If the protest is lost, no money will be given back.
- The player must lodge the protest immediately to the first referee who will then indicate to the scorekeeper that a protest has been lodged and play must stop immediately.
- The protest is then referred to the appropriate higher authority (i.e. Head Officials) for acceptance or refusal.
 - Refusal means that the game or match continues or result stands as played.
 - Acceptance involves replaying of the point/set/match in whole or in part depending on the judgment and on the next available court allocated by the Beach Tournament Director.

3.3.2 Complaint Protocol – Tournament/Playoff Schedules

For pre-event team seeding complaints, please see section 3.5 in this handbook.

Once all the games are finished in pool play, completed pool play sheets must be given to the control tent along with the clipboard. One member per team **MUST** initial the sheet upon completion ensuring its accuracy.

The playoff schedule will be shared with all teams during the playoff meeting for each age group after the completion of pool play. Any concerns with the playoff bracket must be declared during the playoff meeting. If any errors are found **after playoff matches have begun, no changes will be made to the playoff draws.**

For all Adult Elite Grand Slam & Ontario Championship schedules, any complaints or concerns with pool play seeding or playoff structure must be sent in writing to kcheng@ontariovolleyball.org by 11:59 AM the Thursday before the event. No changes will be made to the playoff draw once the first playoff match has begun.

3.3.3 Complaint Protocol - General

Issues regarding the technical aspects of the tournament or OVA Policy can be documented on an official Complaint Form (available at the Control Tent) and will be handled by the OVA Beach Ad Hoc Committee within the following week.

- The Tournament Directors **CANNOT** change the policies and will relay your concerns as well as the Complaint Form to the Beach Program Manager and Beach Ad Hoc Committee for review

3.4 Rules of the Game

FIVB Official Beach Volleyball Rules will be used for the 2019 OVA Beach Tour with the exception of the rule variations below and rules posted on the [VC website](#). Please see www.fivb.org for more details (Page 25, Rule 11.3).

3.4.1 Contact with the Net

- Contact with the net by a player between the antennae, during the action of playing the ball, is a fault. The action of playing the ball includes (among others) take-off, hit (or attempt) and landing.
- Players may touch the post, ropes, or any other object outside the antennae, including the net itself, provided that it does not interfere with the play.
- When the ball is driven into the net, causing it to touch an opponent, no fault is committed.

3.4.2 16U and younger serve reception

- For OVA & VC 16U and younger competitions - after a team loses service, the last player to serve for that team, at the moment of service by the opposing team, must be positioned closer to the right sideline than their teammate. This requirement must be followed until that team regains the right to serve. During the rally each athlete has the right to position him/herself anywhere on the court. Outcome for violation: 1. Official ends rally immediately upon contact by the server. 2. Point awarded to the serving team.

3.4.3 Hand Setting Rule – 16U and younger (all Divisions) & 18U (Championships, Challenger and Trillium Divisions)

- The following hand setting rule will be used for 16U and younger divisions and 18U Championship, Challenger and Trillium divisions, including Satellites events:
- A player may have a double contact on their second contact when completing a set to their teammate using an overhand pass provided the ball has a trajectory perpendicular to the line of the player's hands, shoulders, and hips (i.e. the player is being "square") and the double contact involves only the hands.

3.5 Points/Seeding/Rankings

3.5.1 Adult Points will be awarded to Adult divisions according to the following point system.

Adult Rank	Grand Slam & Sunshine Series	OVA Beach Tour			OVA Satellites*

3.6 Tie-Breaking Procedure

3.6.1 End of Pool Play Ranking

Ties between teams within pool-play going into playoffs are broken by the following procedures in priority order. ONLY tied teams are taken into consideration.

1. Number of matches won – 2 points per match. (This step is only used when teams play full 2 out of 3 sets during pool play. For those in pools where only 2 sets are played, please skip to directly to #2)
2. Number of games won – 1 point per game.
- 3a. **Between 2 teams:** Result of head-to-head match
- 3b. **Between 3 or more teams:** point differential between tied teams
4. Point differential overall.

3.6.2 Pre-Event Seeding

Ties between teams with the same seeding points going into an OVA Beach Tour event are broken by the following in priority order:

1. Most individual participations on the current OVA Beach Tour in the respective age division (combination of the team's individual participation).
2. Average of each highest individual finish per team on the current OVA Beach Tour.
3. 2018 final point average (team).
4. A coin toss would determine who would be ranked higher.

3.7 Moving Up Age Divisions

Teams are encouraged to play up in an older age division for better competitive opportunities. If a team plays up a division, points will be awarded and recorded in that specific age division. As of the 2016 season, points were no longer be “shared” between age classes.

3.8 Cancellation and Refund Policy

3.8.1 Cancellation

The OVA will deduct a 10% administration fee on all cancellations prior to the registration deadline (Monday prior to the tournament at 4:00PM). For any cancellations after the deadline there will be no refund or credit issued for any reason, except injury.

In the case of an injury a refund will be made, less a 10% administration fee. All cancellations and request for refunds must be presented in writing by the person who registered to the OVA Operations Coordinator prior to the event and accompanied by a doctor's note within one week of the missed event.

Information that **must** be included in the cancellation/refund request:

1. Full name of both teammates
2. Division
3. Date of tournament to be withdrawn/cancelled
4. Transaction number of registration confirmation email
5. Full name on credit card
6. Doctor's note (only needed if past registration deadline)

3.8.2 Refunds

All refunds are reimbursed to the payee's credit card and must be requested by the person who registered. To receive a refund, all above-mentioned information must be emailed to the OVA Operations Coordinator at kcheng@ontariovolleyball.org.

3.9 Weather Cancellation/Rain-Out

Teams are required to remain "on-call" and "on-site" until 4pm unless otherwise instructed. It is up until this time that a decision can be made as to whether the event can be played out. If the event is cancelled before playoffs, all teams will receive a refund less a 10% administrative fee.

A decision will be made by the Beach Ad Hoc Committee in the case of a cancelled event affecting minimum requirements for Ontario Championships eligibility.

3.9.1 Suspended Play Policy

Safety concerns and play suspension are at the discretion of the collective Beach Tournament Committee (section 6.1.3), but ultimately the final judgment lies with the Tournament Director.

Play shall be suspended if the Tournament Director and/or Committee foresee:

- Inclement weather – lightning (Note: If it is raining, play generally will not stop unless there is lightning)
- Extraordinary circumstances
- Safety concerns
- Other discretionary reasons to clear the beach (i.e. darkness).

Upon notification of suspended play:

- All athletes must immediately evacuate the beach and go to cars or indoor facilities and NOT UNDER TREES
- Athletes PLAYING are responsible for recording the score and taking note of the court they are playing on
- Officiating teams are responsible for taking the clipboard and ball with them.

Notification to resume play:

- Play will resume 15 minutes following the horn sounding
- Athletes are responsible for being within a given distance to hear the horn
- Following a 10-minute warm-up, referees and athletes will continue to finish the game from where the score left off
- Modified play may ensue at the discretion of the Tournament Director and Beach Tournament Committee.

3.9.2 Cancellation Procedures

Tournaments will be cancelled due to inclement weather at the discretion of the Tournament Committee (head referee, tournament director & player representative). The general guideline is once lightning hits, play is suspended for 30 minutes and weather is re-evaluated at that time.

- Points – If the event is cancelled mid-way through playoffs, all teams who remain in the division will split the remaining points. If pool play has not been completed, then no points are awarded.
- Prizing – If there is no winner, prizes will not be awarded (including weekly adult prize money & free tournament entry).
- Refund – A full refund, less a 10% administrative charge, will be granted if athletes did not finish pool play. If playoffs had already begun in a team's respective division no refund will be granted.

The following procedures shall be used when dispersing prize money for either a Grand Slam Adult Elite event or Ontario Championships Elite adult division if a tournament is cancelled:

- Divide money equally between remaining teams if the quarter-finals have begun.
- Refund – A full refund, less a 10% administrative charge, will be granted if pool play or pre-quarter matches have not been completed

3.9.3 Extreme Heat Policy

An extreme heat policy may be activated based on the current weather conditions. In the event the humidex reaches or exceeds 40 degrees and Environment Canada indicates a humidex warning, teams will be permitted the following:

- Drink water while walking between side switches (without delaying the matches)
- One extra timeout per set per team
- Should a team play back to back matches, 10 minutes of extra time will be added between those matches.

Environment Canada will be used as the official reporting mechanism for current weather conditions. Teams may only drink water as they switch sides, they may not stop on the sideline to drink water.

OVA will notify all competing players via the following channels should the Extreme Heat Policy be activated:

- Announcement on event speakers
- Notification via OVA social media channels (@ova_updates)

Please note that the extreme heat policy can only be activated by OVA. If teams have not been notified via the above mentioned channels they will not be permitted to initiate the extreme heat policy permissions.

All players and spectators are encouraged to drink plenty of fluids, bring extra fluids to all matches, and seek shade during breaks. Players may wish to bring umbrellas to provide additional shade when not able to seek shade from nearby.

Chapter 4

Specific Regulations and Sanctions

4.1 OVA Beach Crew

The Beach Crew along with OVA referees are responsible for making sure that matches start within 10 minutes of the end of the previous match and can sanction the athletes if warm-up time allotments are exceeded. OVA Beach Crew and referees will also be available to assist the athletes with questions and concerns and will be in contact with the control tents at all times.

OVA Crew members will be introduced during the players meeting and will be easily found throughout the day.

Athletes are not penalized for pregnancy. Athletes who miss or have missed some portion of the OVA Tour during the period of time extending from six (6) months before giving birth until six (6) months after, will retain all points from the last event that was played. The points from the result of the first event post-injury will replace all points carried over from prior to the injury-induced absence. The time period specified above might be altered by petition to the Beach Ad Hoc Committee if the particular medical circumstances warrant it. All athletes who wish to invoke this catastrophic injury policy must provide full medical documentation (physicians' and therapists' notes, medical imaging reports, hospital or surgical summary notes, etc.) to the OVA Beach Ad Hoc Committee for consideration by a medical consultant, who will advise the Committee on whether this policy should apply on a case-by-case basis.

Chapter 5 Ontario Beach Volleyball Program Information

5.1 Satellite Events

A satellite event is an event that is sanctioned by the OVA. Satellite tournaments create more opportunities for players to participate in tournaments local to their area. Ranking points are awarded at Satellite events that will count towards a player's seeding only if it's to the players advantage. Please refer to the points matrices in sections 3.5.1 and 3.5.2.

5.2 Elite Division

5.2.1 Qualifier

The elite qualifier will be held at 8:30 am sharp, the morning of each tournament. This will be a one set game to 21. Teams that do not qualify will automatically be placed in the Open AA-A5 division and ranked based on their current points. 25% of the main draw can come from the qualifier. Two (2) teams per qualifying spot will be allowed entry into the qualifier based on points.

5.2.2 Wildcards (WC)

Wildcard spots in the main draw will be granted to those teams that will **increase the level of competition** or for **youth development**, or to those athletes competing on the Provincial Team or in the Youth World Championships. WC applications will be due Sunday at 11:59 pm prior to the tournament. **Teams should register into the Elite Qualifier division before the registration deadline.**

Adult Open WCs will be seeded third in the tournament and Youth Open WCs will be seeded one seed above the qualifying teams.

The OVA reserves the right to not award a WC if the Beach Ad Hoc Committee does not see fit. The Committee will base their decision on the following criteria:

Open Wildcard

- Improve quality/level of play of the tournament
 - This team should improve the quality of play at this event. This wildcard team will be seeded 3rd and therefore the Committee should feel that they can finish in the top 4 of the Elite Division.
- Support the National or Provincial Team Programs in athlete development
- Promotion of the event
 - Will this team's involvement assist with the marketing/promotion of this event?

Youth Open 20U Wildcard

- Enhance development of the age division
 - This team should have the potential to compete at a National/International level and would benefit from competing at the Elite level. This team will be seeded one seed above the qualifying team or according to their current youth points.

For the Wildcard Application Form, please see Appendix III or the OVA website www.ontariovolleyball.org.

There is no wildcard process for 12U – 18U age categories. Any athlete that has not played a beach event before will be ranked with zero (0) points.

Total prize money at OVA Grand Slam & Ontario Championships will be \$15,000 (\$7,500/gender) with the following prize breakdown per team:

- 1st - \$4,000
- 2nd - \$2,000
- 3rd - \$1,000
- 4th - \$500

Free entries into future OVA events will not be awarded to the winner of any OVA Grand Slam & Ontario Championship events.

Playoff Format – 2-Day Adult Events

For our Grand Slam and Ontario Championships, the playoff format will follow a random seeding to ensure that teams cannot manipulate the draw during pool play. In a 12-team draw with 4 pools of 3, the bracket will follow these principles:

- 1) Coin flip to determine which side of the bracket A1 and B1 will be on. They are always on the opposite side of the bracket
- 2) Coin flip to determine which side of the bracket C1 and D1 will be on. They are always on the opposite side of the bracket.
- 3) 2nd place teams from each pool must be on opposite side of bracket as the 1st place team from that pool. i.e. A1 and A2 must be on opposite sides. Coin flips will determine which 2nd place teams are placed where in the round of 12.

4) 3rd place team can't play someone from the same pool until semis.

Based on the number of teams registered, round robin & playoffs may be slightly adjusted before the start of the tournament, at the OVA's discretion.

5.2.4 Grand Slam Event

Toronto, Ashbridges Bay

The fifth annual OVA Grand Slam is scheduled for June 21-23, 2019 and will be held at Ashbridges Bay Beach in Toronto.

Twelve (12) teams per gender will be entered into OVA Grand Slams with the main draw being made up of:

- The top eight (8) OVA Adult Elite Teams based on OVA 2019 Beach Tour points
- Two (2) Domestic Wild Cards (Application to be submitted by June 10th, 2019)
- Two (2) teams from the qualifier on June 21, 2019

At OVA's discretion to change tournament format if team numbers vary. Teams must have played at least 1 OVA Beach Tour event to qualify based on points. Teams who have not played an event on the 2019 Beach Tour must qualify by wildcard or through the qualifier on Friday night.

Registration

Registration for the Grand Slam will close at 11:59pm on Monday June 10th, 2019.

Wildcard Criteria

The following rationale will be applied to wildcard decisions for all Grand Slam events:

- Improve quality/level of play of the tournament
 - This team should improve the quality of play at this event. This wildcard team will be seeded 3rd and therefore the Committee should feel that they can finish in the top 4 of the Elite Division.
- Support the National or Provincial Team Programs in athlete development
- Promotion of the event
 - Will this team's involvement assist with the marketing/promotion of this event?

Pre-event Seeding

Teams will be ranked using Volleyball Canada's senior point system. Please see the chart in Appendix IV.

Tie Breaking (Pool Play)

In the case of a tie in the pools (match points) at the end of the round robin, the following Volleyball Canada rules will apply for Grand Slam events:

Tie between two teams:

- Teams are ranked by the rally points ratio between all teams in the pool;
- If still tied, then the winner of head-to-head match is ranked higher

Tie between three teams:

- Teams are ranked by the rally points ratios in the matches between the three tied teams;
- If a tie still exists then the teams still tied are ranked by the rally points ratio between all teams in the pool;
- If a tie still exists then the teams still tied are determined by the tournament seeding

Appendix I Player Officiating Guide

- It is **your** responsibility to know your officiating duties
- Sanctions can be given out for missing any part of your officiating duties
- Teams should check at the control tent if they are unsure of their officiating responsibilities
- Coaching is only permitted for 16U and younger divisions (except 18U championship, challenger & trillium divisions in the first four tournaments)
- Player officials are strongly encouraged to contact an OVA Beach Tour crew member or an OVA certified referee for assistance if there is any type of bullying occurring from athletes, parents, spectators or coaches

Responsibilities of Player Referees

- Pick up the ball and the clipboard, and bring a scoreboard to the assigned court at least 10 minutes before match time
- Make sure the correct teams are present on the court and ready to play, and make sure that the match starts on-time
- Referee the match, while filling out the scoresheet and flipping the scoreboards
- Give the clipboard and ball to the losing team to bring back to the OVA control tent
- At least one member of the officiating team must be standing, and each player referee must be on opposite sides of the court
- If you are unsure of any rules, ask a referee or court supervisor for clarification – if none are available re-serve the point

Important Rules

- Matches will be played best-of-three games **unless otherwise stated on pool play sheets**
- Please check pool play sheets for instructions on scoring
- Playoffs will always be best-of-three games
- If a ball rolls onto your court during a rally, it is an automatic re-serve

Side Switches and Timeouts:

- In games to 21, teams will switch every 7 points (cumulative) and there will be a technical timeout at the third side change (sum of 21 points)
- In games to 15, teams will switch every 5 points (cumulative) and there will be no technical timeout
- Each team is allowed one timeout of 30 seconds per team, per set (including third sets to 15)

Net Rules:

- Contact with the net by a player between the antennae, during the action of playing the ball, is a fault. The action of playing the ball includes (among others) take-off, hit (or attempt) and landing.
- Players may touch the post, ropes, or any other object outside the antennae, including the net itself, provided that it does not interfere with the play.
- When the ball is driven into the net, causing it to touch an opponent, no fault is committed.

Hand Setting Rule – 16U and younger (all Divisions) & 18U (Championships, Challenger and Trillium Divisions)

- A player may have a double contact on their second contact when completing a set to their teammate using an overhand pass provided the ball has a trajectory perpendicular to the line of the player's hands, shoulders, and hips and the double contact involves only the hands.

Serve reception - 16U and younger

- For VC & OVA 16U and younger competitions - after a team loses service, the last player to serve for that team, at the moment of service by the opposing team, must be positioned closer to the right sideline than their teammate. This requirement must be followed until that team regains the right to serve. During the rally each athlete has the right to position him/herself anywhere on the court. Outcome for violation: 1. Official ends rally immediately upon contact by the server. 2. Point awarded to the serving team.

Appendix II

Players Meeting Notes

1. Welcome to 2019 OVA Beach Tour
2. Warm-up – There is **10-minute warm-up time** allowed between matches. If teams extend this warm up, they will be given a 30-second warning to begin their match and then \$100 sanctions per team thereafter.
3. Know your Schedule – It is your responsibility to know your schedule of when you are playing AND refereeing. Please check your pool play sheets for the schedule and during playoffs, pay attention to the announcements.
4. Player Referees – When you are a player referee, please ensure you are paying attention to the match. You will also be responsible for keeping score as well. We expect one partner to stand and officiate the match while the other partner sits on the opposite side of the court and keeps score. If you have questions, look for a referee supervisor and approach them right away. Do not wait for problems to occur on your court before you talk to a certified referee. If you do not complete your officiating duties as scheduled, your team will be sanctioned \$100.
NOTE: All sanctions (warm-up or missing officiating duties) must be paid prior to playing in another OVA Beach Tour event.
5. Coaching – There is no coaching allowed in the Adult, Youth Open or certain 18U divisions. In the younger age divisions (12U-16U & 18U Championship or lower for first four (4) events), coaching is allowed during time-outs, between games and between matches. However, coaches are not allowed to call time-outs for their players or talk to them during a rally. Coaches must first identify themselves at the main control tent at the start of the day. Each coach will be given a badge for identification that must be worn throughout the day and returned at the end of the day. Coaches must identify themselves to all parties participating in the match including the opposing team, the player referees and the OVA referee supervisor in the area. The coach's name must be included on the match score sheet. Failure to comply with proper coaching procedures will result in OVA Sanctions.
6. Pool Play Formats – It will vary depending on the number of teams in your pool. The number of points per game and games per match is written on your pool sheet, also, please make sure you are paying attention when your divisions are being called out for the specific information.
7. Pool Play Sheets – Once all the games are finished in your pool, this sheet along with the clipboard must be returned to the control tent. Please complete the pool play sheet given to you on the clipboard fully and accurately. One member per team MUST initial the sheet upon completion ensuring its accuracy. All teams should help in completing the pool play sheet. If any errors are found **after playoffs have begun, no changes will be made to the playoff draws**. The most important information we need is who finished 1st, 2nd, 3rd and 4th. If this sheet is not filled in when it is returned to the control tent, you will be called back to the tent to fill out the pool play sheet, this may delay the start of playoffs.
8. Game Balls – Each court receives one game ball. This game ball must be brought back to the control tent with the clipboard at the end of pool play. If the ball is not returned **all teams** in the pool will be held responsible for that ball.
9. Garbage – Please pick up your garbage and put it in the garbage bags provided. Make sure you the garbage actually goes into the garbage bag and is not left on the sand.
10. Swearing – This is a family event. Please watch your language and set a good example for the younger beach athletes around you. Failure to comply with proper behaviour on the beach will result in OVA sanctions.
