

2019 Thunder Basketball Sponsorship Request

Friends and Family of Thunder Basketball:

We are a Non-Profit basketball organization that provides year-round options to our youth in the Greater Chattanooga, TN area.

Our Thunder teams participate in multiple local leagues, as well as travel to tournaments throughout the Southeast. As our organization has continued to grow, it has provided an increased opportunity for serious basketball players to excel in an environment of competition with the best players throughout the country. Thunder Coaches/Directors are all volunteers who are committed to developing our youth to be not only well-rounded athletes, but also positive role-models in their schools and communities. Our Coaches/Directors continue to grow our athletes skill level through hard practice and high-level exposure, while focusing on teamwork and excellent sportsmanship.

In the past our organization has relied solely on registration fees to cover expenses. This means that the cost to participate and prepare for these leagues and tournaments has been put back on parents and guardians of our players. The costs include, but are not limited to: team registration fees, gym rentals, & basketball equipment. In order to continue to maintain and offer a quality travel basketball program for our young athletes we will need to rely on the kindness of family, friends and local businesses to support our organization.
