

PICKERING FOOTBALL CLUB

MONTHLY NEWSLETTER

Dear Member, Support and Stakeholder,

On behalf of the Pickering FC Board and Staff we would like to share our best wishes to you all for a safe, healthy and happy holiday season.

Football for many has become a year-round part of our lives, shifting from practice to game, from field to field, indoors to outdoors it can feel relentless - so taking a day or two over the holiday season to share with family and friends is priceless.

Pickering FC is one of only three clubs across Ontario that does not stop over the holiday season. Our Winter Festival will this year reach over 140 participating teams and introduce the first ever 9v9 OPDL Tournament to the Ontario landscape. From there we roll quickly into the new year with our Winter seasons, Competitive pre-season, and League 1 Trials. Of course, like everyone else we will also be watching the FIFA 2026 World Cup build up and the saturation of our sport across every aspect of our lives!

2026 will be huge and we are hopeful it will further help our sport mature in Canada, but before we get there, before we cheer on our Canada Red's, let's make sure that over the holidays we take the time to enjoy being with family and friends.
