3. To edit a game... just use the app. So much easier!

Entering games Via the App.

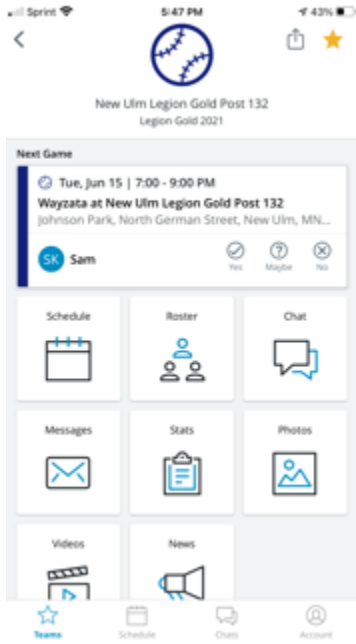

1. Find the Sports Engine app in your app store and download.

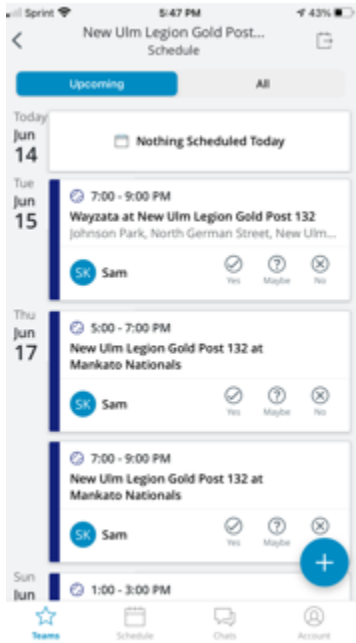

2. Sign in with the same information you would on the web site. On the bottom left of your screen there will be a star labeled teams. If you click on the star you can search for the teams.

3. Once you have your team loaded, click on it and you will see this screen. From here you can do multiple things, including message the team (if everyone is loaded with emails). Click on the schedule.

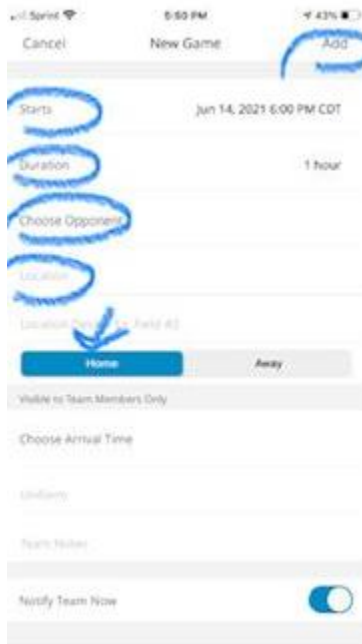

4. On this view you will see upcoming games as well as the little blue circle with a + sign. Click on that.

5. You will have the option to enter a new game or event. Click on New Game

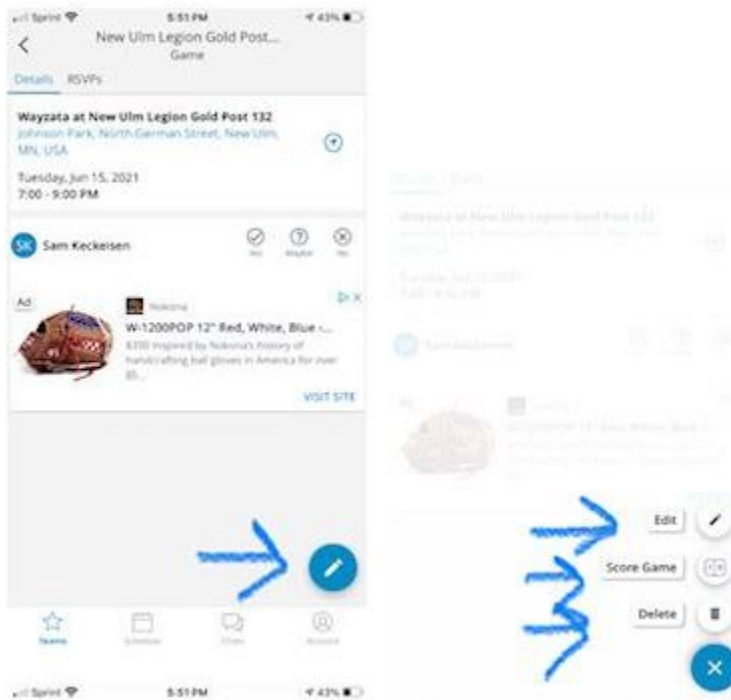

6. Enter all the required fields. And click Add in the top right corner when finished. You just added a game on the Sports Engine App!

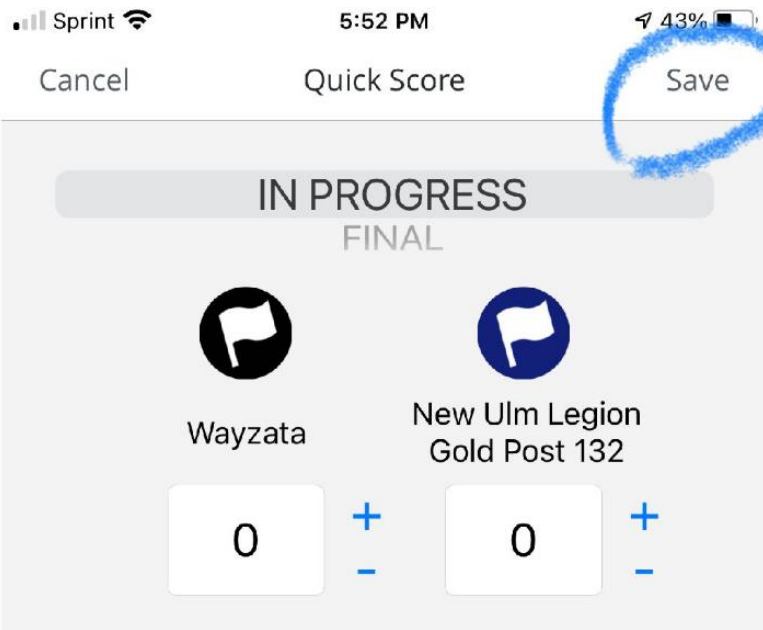

To Edit/Score or Delete a game.

1. Follow the above steps 1-4. But click on the game you need to work on. This will bring you to a similar screen as below. Click on the blue circle with a pencil in the bottom right corner.

2. To Edit click the top option and it will bring you back to the screen in step 6 of entering a game. Make sure to update after all changes are made.
3. To score a game: click on the second option, enter the correct score and Save.

4. To Delete a game: choose the bottom delete option and it will ask if you are sure.
