LAST YEAR ...

The U.S. National Under-18 Team earned first-place finishes at both Five Nations Tournaments, held in Hämeenlinna, Finland, and Plymouth, Michigan, respectively.

Despite a regulation loss to Sweden and shootout losses to Switzerland and Finland, the U18s claimed a tie for first place after a 3-0 win over the Czech Republic in their final game of the tournament in Finland.

Last year's group of U18s went on to capture the Five Nations title for a second time on home ice in February 2018 at USA Hockey Arena. Team USA defeated Sweden (5-1) and Russia (5-4) before it secured a 4-0 victory over Finland to seal the first-place finish. Team captain and current Buffalo Sabres prospect Mattias Samuelsson accepted the trophy for the U18s.

ABOUT THE NTDP

The pinnacle of amateur player development in the U.S., the NTDP scouts and selects the top 23 players in two age groups (Under-17 and Under-18) to train and develop in a highly competitive two-year program.

The teams (Under-17 and Under-18) face a rigorous domestic schedule, including competition against older, more developed players.

The U17s play a majority of a 60-game junior schedule in the USHL, while the U18s face USHL, NCAA Division I and III opponents. Both squads also compete in several international events each season.

Additionally, the players face a daily routine of off-ice development that includes strength training, cross-training, cognitive skill testing and academics.
