OVERVIEW

Saskatchewan High Schools Athletic Association (SHSAA) is recognized by Sask Sport Inc. as a multi-sport organization (MSO) that administrates sporting activities and programs for Saskatchewan schools. As such, SHSAA is eligible to distribute Membership Assistance Program (MAP) funding, made available by the Saskatchewan Lotteries Trust Fund (SLTF), to SHSAA members. The SLTF derives the available funding dollars through the sale of lottery tickets in Saskatchewan. SHSAA members are asked to acknowledge and publicly recognize Sask Sport Inc. and SLTF as a major funder of amateur sport in Saskatchewan.

14 SHSAA Districts (representative of the seven Sport, Culture and Recreation Districts in Saskatchewan, and the cities of Regina and Saskatoon) are composed of boards of education (school divisions), independent schools, and First Nation schools delivering school sport opportunities to meet the needs of student-athletes, coaches, and officials in Saskatchewan.

The Association members in cooperation with the SHSAA provide governance and professional guidance, ensure safety, provide insurance, set rules, raise funds, acquire sponsorships, and train athletes, coaches and officials. A variety of programs and services are offered such as sanctioned competitions leading to provincial championships, coaching development, increasing capacity of officiating, skills clinics, sport science, medical services and leadership development. Members of SHSAA are encouraged to work at increasing participation by under-represented groups such as youth at risk, people with disabilities, aboriginal people, women, northern residents, and the economically disadvantaged.

Districts are encouraged to apply for MAP funding on an annual basis based on the Policy and Guidelines outlined by SHSAA and Sask Sport Inc.
