7-ON-7 PASSING LEAGUE OPPORTUNITIES:

- 7-On-7 Passing Leagues are a fun, competitive, non-contact way to play football. It is all passing, played on a 40-yard field plus an end zone, and allows scoring both on the offensive and defensive side of the ball. Passing is now the feature offense, and thus defense, of most teams. 7-On-7 Passing Leagues give our athletes an exceptional, competitive way to hone their skills.
